

# Commuters Smile As Gas War Slashes Prices In County

By JEAN JERNIGAN  
Contra Costa Commuters and motorists in general were smiling this week as they filled their tanks with gas at bargain rates. A general gas war, which was to have been "called off" Wednesday, broke out anew when Seaside stations broke the "truce" and dropped the price of regular gasoline to 22.9 cents per gallon—the same low point which was reached in the local gas

war some six months ago. Quickly following suit, other stations cut their prices with the following results:  
In Pleasant Hill regular gas was going at 22.9 for regular and 25.9 for premium at cut rate, which includes Hancock, Seaside and Wilshire. Wilshire prices went up to 27.9 on Wednesday in Lafayette and Pleasant Hill, according to motorists, but were dropped back to 23.9. Hancock

is going for 23.9 also.  
**MAJOR OPERATOR** prices were the same in Walnut Creek and Pleasant Hill with most at 25.9 for regular and 30.9 for premium. Companies selling three types of gas had done little to the top grade gas price. However, prices at normal level were already up to 33.9 for regular, 38.9 for premium and for super grade the price was up to 40 cents.

Lafayette prices are similar to Walnut Creek and Pleasant Hill with Signal at 24.9 and no break expected before next week.  
**ORINDA PRICES** are near normal with Chevron at 25.9 for regular and 29.9 for top grade. Shell was going for 25.9 and 33.9. Oakland and San Francisco prices are down some, but not enough to drastically affect Orinda dealers.  
While motorists delight, gas

dealers squirm. Some blame Richmond for this go-around, others blame the freeway construction.  
Still others comment the war that started in Lafayette never really ended.  
Some stations are cutting down on services, with just a lick and a promise on the windshield, others are not giving stamps. But no one seems to care . . . not with a tank full of gas at

cut rate prices.  
What do the operators say? In Orinda, least affected by slashed prices, a dealer said, "we've slowed down a little, missed the morning rush." Another comment was, "it's not affecting us too bad, as long as prices in Oakland and San Francisco stay close to normal we're set."  
**DEALERS SELLING** at cut rate were reluctant to comment on their volume of business and

in an understatement of the week one Pleasant Hill operator said, "Business is very good, but I don't pay too much attention to this going on around me." Another operator in Pleasant Hill merely said, "business is about the same."  
No great increase in business was the remark of a Walnut Creek Dealer.  
**MEANWHILE** THE new gas station construction is better

than ever, with modernistic and expensive stations springing up like mushrooms. The enterprising soul is encouraged by business ads to lease a station and make a mint.  
What about the hapless ones asphyxiated by the gas wars and smothered in competition? Will they stand to be counted? Meanwhile, Happy commuting days are here again!

THE SECOND of two morning lecture program teas sponsored by the Friends of the Orinda Library will be held at 10 a.m. Wednesday in the library. Guest speaker will be Richard Dillon, librarian of Sutro Library and author of "Embarcadero," who will speak on "San Francisco and Points West." Pouring for Mrs. Gerald Tesman (center) is Mrs. Harold Caldwell, while Mrs. James Lewis looks on.

## Sutro Librarian Speaks To Local Library Friends

The members of the Friends of the Orinda Library are looking forward to the second of the series of coffees followed by lectures to be given Wednesday at 10 a.m. at the Orinda Library.  
Richard H. Dillon, a California author, will speak to the group. His most recent book is "Embarcadero," a fascinating story of sea adventure.  
DILLON WAS born in California and first began to write dog stories for a children's column in the San Francisco News while he was still a boy, later writing for

the Pelican when he was a student at the University of California.  
He also wrote for various scholarly journals and general publications including the California Historical Society Quarterly, Ship and the Sea, and the Pacific Northwest Historical Quarterly.  
A Phi Beta Kappa graduate of the University of California, Dillon is head librarian of the Sutro Library in San Francisco. He resides in Mill Valley with his wife and two children.  
Mrs. Kendrick Morrish is chairman of the affair.

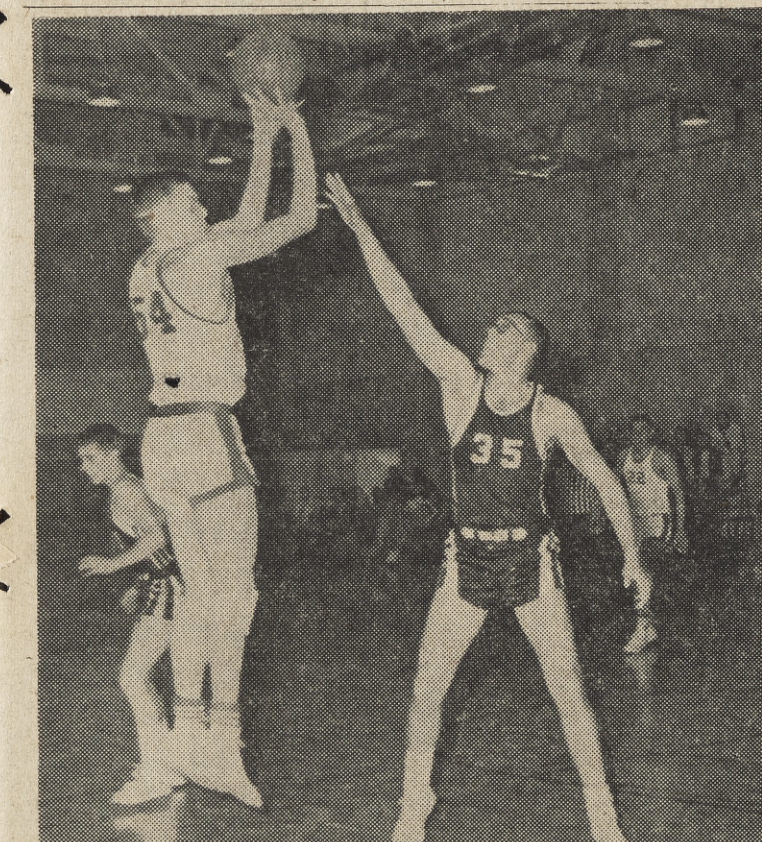

## Seminary President Gives Opening Lenten Lecture

Dr. Theodore A. Gill, president of San Francisco Theological Seminary at San Anselmo, will be the guest speaker at the first session of the annual series of Lenten lectures beginning Wednesday at 8 p.m. in the Orinda Community Church.  
With applications to contemporary trends, the theme of the series will be "The Church in Christian Faith and Life," and will be held on the six Wednesday evenings of Lent.

**DR. GILL** will speak on the "Unity of the Church: The Power of the Gospel." On the following three Wednesdays, Dr. John Wick Bowman will discuss the "Message of the Church: The Gospel for Christian Living," and the last two weeks Dr. Andrew Durwood Foster and Dr. Charles Sherwood McCoy on the "Mission of the Church: the Christian Gospel in Action."  
Dr. Gill studied at Princeton Theological Seminary, the Union Theological Seminary, the University of Basel and the University of Zurich, Switzerland, receiving his doctorate at the latter in 1948. Among his noted teachers were Emil Brunner, Karl

Barth, Reinhold Niebuhr and Paul Tillich.  
Before accepting the presidency at San Anselmo, he had been chairman of the department of religion at Lindenwood College, Missouri, pastor of West End Presbyterian Church in New York City, managing editor of the religious journal "The Christian Century," and the present editor of "The Pulpit."  
He is the author of many books and articles and recipient of lectureships in numerous colleges and seminaries.

**Garden Club Hears Cal Nurserywoman**  
The monthly meeting of the Hilltop Garden Club of Orinda was held last week at the home of Mrs. Arthur Jensen, 106 Las Vegas Road. Mrs. William Leftwich was co-hostess.  
Helen Beard of the University of California Botanical Gardens spoke on "Natives in Your Garden." She used cuttings from the various trees and shrubs to show club members the many interesting native plants which can be grown here.

A CLASSIC basketball pose is assumed by Diablo Valley's Matt Fitch (54) as he goes up in the air to score two points during the first half of last Friday's 79-40 debacle of Cabrillo Junior College. The game was sponsored by The Sun and Diablo Valley College, and about 200 fathers and sons from the central county attended. The Vikings' No. 22 is Ted Tahira. The dark-shirted Cabrillo players are unidentified.  
—Sun Photo by Mattison.

## Council Chief Visits Cub Pack

Mt. Diablo Boy Scout Council President Duncan Knudsen and Mrs. Knudsen were honored guests at the Blue and Gold Dinner of Orinda Cub Pack 57 at Miramonte High School last week.  
Knudsen and Scout Executive Sam Gardner judged the table decorations commemorating the Golden Jubilee of Scouting and presented the following advancement awards: Wolf, Kirk Preiss and Harrison Stockton; Bear, Allen Canale and Jim Bartle.  
The fathers' committee in charge of the February program was headed by Don Dunlop and included Stan Massie and Arthur MacDonald.

## Church Guild Hears Tale of Kenya Students

Wednesday members and friends of Circle IV of the Orinda Community Church Women's Guild heard Mrs. Robert Scalapino relate how she assisted in bringing eleven students from Kenya in Africa to the Bay Area to enter college.  
While visiting in Kenya, Mrs. Scalapino and her husband, a political science professor at the University of California, became concerned with the lack of adequate educational facilities and opportunities for young Africans. This ultimately led to these six African girls and 5 boys being brought to this country.

According to Mrs. Scalapino others will come when homes are found for them.  
Some of Berkeley's prominent civic, professional and religious leaders have formed a group called "The Committee for Kenya Students" with Mrs. Scalapino serving as chairman.  
A luncheon was served at the home of the hostess for the day, Mrs. W. H. Mordy of 42 Los Altos Road, Orinda. Assisting Mrs. Mordy were Mrs. F. Hailey and Mrs. S. F. Jeffries.

## Residents Ask County To Hold Funds For Road

Residents of the Miner Road-Sleepy Hollow area have proposed that the county set aside the money which would be used on the controversial Bear Creek Road replacement for use on another county project at a later date.

At a meeting with county officials Wednesday night, the residents agreed that their plan might be technically or legally impractical, but they asserted that the county's plan for the replacement road are "a waste of money."

**ACCORDING** TO Bill Leonard, president of the Sleepy Hollow Recreation Association and spokesman for the group, the meeting resulted in a general feeling that even the county itself was not convinced of the need for the road.

Chairman Mel Nielsen of the County Board of Supervisors, County Public Works Director Vic Sauer and planning commission member Boone Robinson of Orinda were present at the meeting, which was also attended by about 25 residents of the area.

The East Bay Municipal Utility District's proposed Briones Valley Reservoir, now under construction, will inundate Bear Creek Road and part of Hampton Road, and the district, therefore, is obligated to the county to build a replacement road.

**STUDIES** HAVE determined that the least expensive and most feasible route is along a steep ridge at the south shore of the reservoir—a route which would cut through residential properties and the Sleepy Hollow Recreation Park.

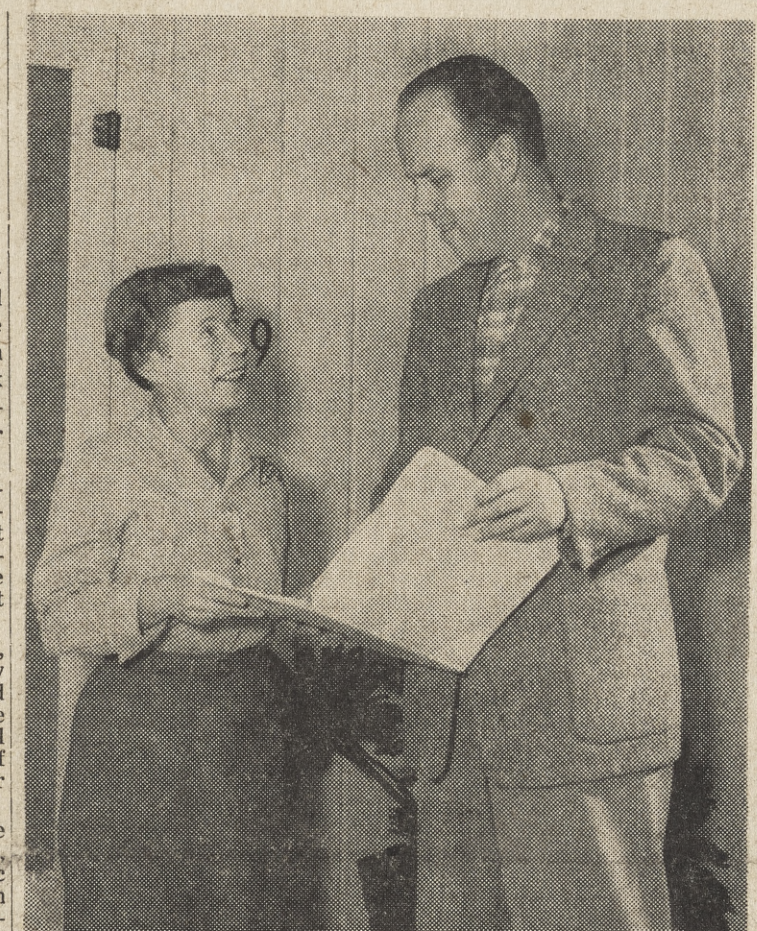

Sauer indicated the south shore road would cost about \$4,200,000 while alternate routes along the north and west shores would cost in the vicinity of \$6 million.

The county officials told the residents that because of their opposition the routings will be re-examined, but at present, they still favor the south shore.

**LEONARD** SAID the residents expressed the feeling that the county was afraid of losing the funds for the free road, and was going ahead with the plans for an unnecessary road for this reason.

He stated, "It is an established fact that the roads being inundated contain very little traffic."

The area's homeowners expressed their plans to carry the problem to the planning committee of the Orinda Association next.

A FAMILIAR sight in Orinda these days is this neighbor-to-neighbor approach being used by the Orinda Association in its membership drive. Here, V. A. Namanny, 41 Lost Valley Drive, explains some of the details about the association to Mrs. M. G. Kennedy, 59 Lost Valley Drive. Members of local improvement groups have volunteered to pass the association's message along to other residents within their neighborhoods.  
—Sun Photo by Bob Lynds.

## Man Sympathizes With Phone Operator Blues

William G. Platner of 1789 Castle Hill Road, Walnut Creek is no stranger to the daily harassment of telephone operators, although his retirement next October will be as a switchboard installer.

In 1913 he went to work as a telephone operator, a job which is now almost universally held by women.  
"It wasn't uncommon to have men as operators then," he recalled.

**"I HAD JUST** gone to work for the phone company in Phoenix, Arizona. I was assigned to night duty as an operator, which meant working a 10-hour shift from 9 p.m. to 6 a.m. with only one night off a month. For this I earned \$30 a month."

Platner, now a switchboard installer for Pacific Telephone in Berkeley, remembers the job entailed more than just plugging away at a switchboard.

"There weren't many phones to keep us constantly busy at the board," he explained, "so we had to spend dull periods working in the switchroom and sweeping up the office."

## Sun Basketball Game at College Attracts Crowd

An enthusiastic crowd of about 200 fathers and sons from the central county area turned out last Friday for The Sun's Fourth Annual Father-Son Night at Diablo Valley College.

And the group got what they wanted, as the Diablo Valley Vikings emerged victorious over the visiting Cabrillo Junior College basketball team by the lopsided score of 79-40.

Despite the game's oneness, a grand time was had by all, and nearly all of those who attended evidenced an interest in continuing the annual tradition. Families attended the game from Orinda, Moraga, Lafayette, Walnut Creek and Pleasant Hill.

Each year, The Sun sponsors a college game contest, and fathers who pay \$1 are entitled to bring as many youngsters as they want to the game free of charge.

## Debate on Fluoridation Is Planned

### Association Directors Set Annual Meet Program

Fluoridation will be the topic of discussion at the annual general membership meeting of the Orinda Association, to be held April 4, association directors decided Tuesday night.

Director Helen Haslam, program chairman for the event, said arrangements will be made to have speakers on both sides of the fluoridation issue and a neutral moderator at the meeting.

The discussion will come only two months before the June 7 East Bay Municipal Utility District election to determine whether EBMUD's public water supply should be fluoridated.

**THE DIRECTOR'S** decision to go ahead with the debate was preceded Tuesday night by a disagreement among members of the board on the subject of fluoridation.

Connie Hall, secretary of the board, stated she believed the association had no business discussing the matter because it is too controversial.

But President Vic Kingston later expressed the feeling of the majority of the board in the following manner:

"We are an instrument of the community and we won't be taking sides on the issue—we'll just present both sides of the story."

No public or civic groups in Orinda have taken recent stands concerning fluoridation, although sometime ago, the Orinda Chamber of Commerce and the association evidenced support of public fluoridation.

Directors of the association also announced that the group's annual membership drive is fully under way and neighborhood improvement groups have distributed canvass cards throughout the community.

The drive, with a goal of 1000 members, started February 13 and will continue until March 20. Mrs. Haslam and Bruce Howard, co-chairman of the event, said there are 3500 potential members in the community, but the highest membership total ever has been 850.

**THE BOARD** denied three separate group requests for individual use of the association's property on Camino Pablo near the Crossroads.

The groups requested use of the property for gun safety training, a junior league baseball diamond and a tennis club, but the directors agreed that no group should have the use of the facility until the master plan for the property is completed.

The plan, already in the process of being formulated, is expected to be completed sometime in the next few months and uses approved now might not fit in with the plan, directors said.

Finally, the association board acknowledged its co-sponsorship of the Orinda Clean Up Month

## Clean Out Your Garage! Fill Up Your Wallet!

Has your garage become a collection depot for all those things you don't particularly need—but which are too valuable to throw away?

Have you now and then looked in there, shaking your head, thinking someday you've just GOT to get rid of that stuff?

You can clean out your garage, add some folding money to your pocket, and maybe win a \$10 prize—just try The Sun want ads!

That bike, the old roller skates, ice skates, toys, large and small, tools, furniture—right now there are hundreds of people who are looking through The Sun classified sections, hoping to find them.

An hour or a day after you place your Sun classified you will receive not one, two or several—but probably 10 or more phone calls from people who want some or all of the items you have listed.

The Sun offices each week receive letters of thanks from people who have sold their odds-and-ends within a day and at good prices to people who have good use for them.

And there will be more space for the things you really need. And the person who offers the most items in a single Sun want ad during the month of March will win \$10 in cash. The winner will be notified the first week in April.

Actually, all The Sun want ad customers are winners, for this is the time of year when people are looking to clearing skies, and are planning activities which require many of your long-stored items.

You will see your Sun want ad go on Wednesday into the fabulous 40,000-circulation Sun Shopping News which covers the entire central county.

And for no additional charge, it goes into the widely-read subscription papers—the Walnut Creek Sun, Lafayette Sun, Orinda Sun and Pleasant Hill Sun, published on Friday.

All this for \$1.00 when your ad has 14 words or less.

Place your ad on Monday or on Tuesday by 10 a.m., call week. And wait for the calls to come in!

## How to Make A Bomb Fall? Gal Tells All

"BOMBS could hardly work more quickly than Sun ads," exclaimed Mrs. Agnes Taylor of 3574 Brook Street, Lafayette, after she sold her chesterfield set.

She said her ad appeared in The Sun Shopping News, published on Wednesday. And Wednesday morning at 9 o'clock she received her first call.

"Scarcely before I had my morning's work done the party came and bought the set," she added.

Similar results were told by Brian Taylor of 636 Augustine Lane, Lafayette, who sold his English racing bike, and Mrs. B. Cleborne of 13380 Ridge Road, Lafayette, who advertised that her toy Pomeranian "Bambi" was lost.

These and hundreds of other "success" stories are reported to The Sun offices each week, because each ad goes automatically into the 40,000-circulation Sun Shopping News—and also each of the Walnut Creek Sun, Lafayette Sun, Orinda Sun and Pleasant Hill Sun.

Only \$1.00 buys a 14-word ad which gets the best local coverage in the central county.

Call YE 4-5000, AT 1-444 or CL 4-4343 and place your ad. Then sit back and wait for the results!

## Orindans Leave on Caribbean Cruise

Four Orindans are among the passengers who sailed from New Orleans aboard the Stella Polaris, well-known Swedish cruise ship, last week on a 25-day tour of the Caribbean.

They are Mrs. Jean Bouchet and Mrs. Frank R. Makinson, 11 Overhill Road, and Mr. and Mrs. Joseph M. Long, 10 Lombardy Lane.

The tour will include visits to the Bahamas, Panama and South America. Less frequented posts of call along the journey include the islands of St. Kitts, Martinique, Grenada and San Blas.

STUDENTS IN the sixth grade class of Harold Ruby (left) at the Orinda School are making use of this gigantic slide rule in their study of the advanced mathematics instrument. From left to right are Woodson Merrell, Margie Titmus and Pamela Zerkle. The slide rule study is part of the Orinda School District's accelerated mathematics program. Ruby said the students are in the process of learning how to multiply through the use of the slide rule, and some of them even have taught themselves how to divide.

## Board Won't Seek Legal Opinion on Fluoridation

The chairman of the board of trustees of the Lafayette School District announced yesterday that the board will not request a legal opinion on the matter of whether fluoridation materials can be sent home with school children.

Boardman Moore said the trustees have decided to stand on their decision of February 8 to prohibit the distribution of fluoridation information by children.

HE EXPLAINED, "We're not trying to interpret the law. We're merely trying to be fair to all concerned."

The fluoridation issue was raised in Lafayette early this month after the Lafayette Health Council had distributed its monthly pamphlet by the students. The pamphlet contained an article and council endorsement of the fluoridation issue.

Some citizens, a majority of them from without the Lafayette School District, complained to the school board, and the trustees then asked for opinions on the matter from Dr. Floyd Marchus, county superintendent of schools, and the district attorney's office.

TWO DAYS LATER, after Dr. Marchus ruled that student distribution of fluoridation "election materials" is illegal, but before receiving an opinion from the district attorney's office, the school board adopted its prohibitive resolution.

As a result of the board's action, the district attorney's office neglected to take a stand on the issue, maintaining "it is a moot question." Lafayette Superintendent of Schools W. B. Ellis then stated that regardless of what action the district attorney favored, the school board's resolution stands.

East Bay Municipal Utility District water users throughout the East Bay will vote June 7 on whether or not the district should chemically fluoridate its drinking water. No legal opinion on the schools' dissemination of fluoridation information has ever been rendered in this county.

EARLIER in the week, Moore noted that all of the school systems in the area teach the benefits of fluoridation as part of their general health curriculum. He added that EBMUD's drinking water already is chemically treated by chlorine.

Moore admitted that fifth grade state textbooks in the Lafayette schools, at least, contain pages concerning the health benefits of fluoridation, and that students are permitted to take the textbooks home.

**SPECIAL RATES**

Member of California Newspaper Publishers Association and National Editorial Association. Entered as second class matter June 17, 1943, at the post office at Lafayette, California, under the Act of March 3, 1879. Plant: 1000 Oak Hill Road, Lafayette.

Herman Silverman, editor and publisher; Eleanor Silverman, associate publisher; Larry Glazier, news editor; Dick Osborn, associate editor; Norm Colby, news staff; Jean Jernigan, society editor; Wayne Laine, advertising manager; Bob Rapida, Bob Moore, Arlene Danner, advertising representatives; Iris Teuscher, office manager; Lynne Collier, classified manager; Mac Cardwell, foreman; Vera Holmes, bookkeeper; Dorothy Vico, Erwin Mattson; Harold Harmon, Allen Shuler, Fred Budde, Jim Brewer, Elmer Ehrlich, Kenneth Humma, Jerry Pittman, John Beall, Gene Teague.

THIS GROUP of bandmen are part of Miramonte High School's 20-member Pep Band, which stirs up enthusiasm at all Matador games and rallies. Shown at a recent game, the quintet models the band's new uniforms, purchased with funds from last fall's Mirana, the student talent show. From left to right are Barbara Bergen, piccolo; Bill Anderson, tuba; Jim Shumen, baritone saxophone; Ray Aldrich, trumpet, and Phil Hicks, glockenspiel.

## Topic on Tuesday Lafayette Tax, Bond Election Is

A special public meeting on the Lafayette School District tax and bond election, to be held Tuesday night at 8 o'clock at Lafayette School auditorium, was announced this week by the Lafayette Citizens Committee for Education.

Members of the districts governing board and school district administrators have been invited by the citizen group to answer questions pertaining to the election for those attending the meeting.

Explanations will be given of the two propositions—authorizing the district to levy a \$2.75 maximum operational tax rate and a \$1,125,000 bond sale authorization—by Ed Roston and J. Richard Johnston. Roston is president of Happy Valley Parents Club and member of the citizen committee's speakers bureau. Johnston is general chairman of the committee.

THE NEED for passing the two March 8 ballot issues will be explained as well as the specific cost to the taxpayer of the increased operational tax rate. The effects of the electorate failing to authorize either of the issues will be told.

## Letters to The Editor

BEAR CREEK ROAD

Over the bridge table we were discussing Friday's article about the freeway going over the Sleepy Hollow hills.

We appreciate your bringing this information to the public attention because we've heard so many rumors. For example, it is true that the East Bay Municipal Utility District has made a verbal agreement to give an access road to the property at the end of Lombardy Lane?

Should taxpayers' money be spent for this? It is true that several big landowners near the proposed Briones Park are pressuring the county (whom?) for this same access road?

We looked at a map, and EBMUD owns the land to the west of the new reservoir. There would be no land acquisition costs there. It would keep the road out of an already beautiful fully developed residential area.

MRS. W. J. TALBOT JR.  
MRS. VERNON E. LOUIS  
MRS. D. I. TIBBITTS  
MRS. S. HUTTON

## Miramonte Mirror...

## Five Matadors Named to Merit Scholarship Finals

By JULE NOLLER

Ruth Thompson, Bob Newman, Hilary Brown, Mickey Wilbur and Bill Brown have brought glory to Miramonte a second time by qualifying as finalists in the Merit Scholarship Contest. The same five received the title of semi-finalists in October.

Their outstanding scores on the College Board Tests gained them the honor of entering the finals to try for a scholarship. These are awarded to those finalists who need the money for their education more than the others.

Enrique Lopez-Bruno of Spain took first place honors in the Moraga Lion's Club "People to People—Key to World Understanding" speech contest. Katy McQuaid and Barb Syverude tied for the second place award. Bob Davis, Nadya Roegiers and Sue Dunshie will present their speeches on the same subject before the Orinda Lion's Club on Wednesday.

Sylvia Howes, who plays the marimba in Miramonte's advanced band, has been selected to tour with 60 other marimba players next summer. These musicians will perform in nightclubs throughout Hawaii, Los Angeles and Las Vegas.

Judy Hopkins, who is presently rated as tenth in the Junior Women's Division of California tennis players, has the honor of being the first girl at Miramonte to join the tennis team.

She even joins in with the boys while they run around the track and do push-ups to keep in shape for tennis. The only thing Judy will not be allowed to do is to compete in the inter-school matches with the boys.

The Foothill Inter-School Council (F.I.C.) met at Acalanes on February 16 with representatives from Acalanes, Las Lomas, Miramonte, San Ramon and Piedmont. Representing Miramonte's student body were: Jan Miller, Roger McCosker, Kathie Calhoun, Barb Syverude, Milt Howe and Betty DeFranco. Miramonte Student Body President Mario Guarnieri is also the presiding officer of F.I.C.

Matters discussed at the meeting concerned having student courts, rating and sportsmanship of other schools for the Sportsmanship Trophy, cancellation of inter-school games because of delinquency and honorary societies which recognize outstanding and active students. The next meeting of the Foothill Inter-School Council will take place at Miramonte in March.

"Passport to Romance," the sophomores' big dance of the year, was held in the Miramonte cafeteria last Friday night. Cecil Kettle and Jeff Knudsen, Jan Bryco and Kurt Lundblad and Mike Smith and Sherry Oenthal danced the evening away among the travel posters and decorations.

Also last Friday, "Touts Ensemble" attended the Guild Theater in Berkeley to see the French movie, "The Great Illusion." Suelen Thomas, Lynn Solomon and Mickey Wilbur were some of the French students on the trip.

Still predominating over other activities are the ski trips to the Sierras. The Ski Club planning committee has its own private trip organized. They will ski on the Olympic slopes while staying at George Hollidge's cabin on March 11 and 12.

This exclusive committee includes Jim Boyd, Bob Boyle, Noel Jones, Sally Holabird, Judy Hopkins, Skip Nelson, Bill Hilger, Carol McChesney, Kathie Shurtliff and Mike Calhoun.

The Teenage Club has planned a second trip for the season which will be to Sugar Bowl for March 11-12. In order to finance the trip, the club is planning to have a fund-raising "Chinese New Year Party" March 5.

Miramonte Olympics fans turned out faithfully at Squaw Valley this week. Sherry and Joyce Odenthal, Betty Dutra, Jim Hildreth, Tom and Sue Kinsner, Pat and Carol Gilmore, Jan Bryce, Patsy Kelly and Jerry Overa are a few who viewed the events at the Valley. Who knows, maybe some Miramonte students will be participants instead of spectators at the 1964 Olympic Games.

## San Ramon Estates Job To Begin This Summer

Work will begin in the summer on the proposed development of the \$250 million San Ramon Estates, straddling the Contra Costa and Alameda County boundaries near the intersection of Highway 21 and Highway 50.

Contra Costa board of supervisors were told details Tuesday by Robert McLain, president of Volk-McLain Company, Los Angeles.

The initial unit will include 1000 residential dwellings, 120 garden-type apartments, administrative offices for the developers, 20 acres of commercial.

McLAIN SAID his company is acquiring some 4300 acres through the firm of Geldermann Realtors, Danville.

The ultimate plan includes the following:

Residential development of 2520 acres, which will provide a total of approximately \$150 millions in housing in a price range from about \$14,000 to \$30,000.

Commercial Properties Development of approximately 235 acres, at a cost of approximately \$30 millions to include an 80-acre regional shopping center.

GARDEN-TYPE industrial development of 720 acres, at a cost of about \$50 millions.

Educational facilities covering elementary, junior high and high school.

Community service sites to include 10 church sites, a hospital, library facilities, heliport and two golf courses.

Park and recreation facilities. MULTI-FAMILY dwellings to cover an estimated 50 acres, at a cost of \$5 millions.

Hotel-motel site, providing top-level accommodations on a 25-acre site, at a cost of about \$2,500,000, to be located near the industrial area, north of Highway 50 on Highway 21.

Commercial facilities will include a supermarket, drug store, bank, department store, motel.

## Miramonte Pool Opens for Use

Girls in Mrs. Ann Grant's Miramonte physical education classes this week inaugurated use of the new swimming pool just completed at the Orinda high school.

On hand to watch initial use of the new plunge was Mrs. R. Bowles, co-chairman of a citizen's committee which earlier had raised \$25,000 towards the pool's construction.

Other members of the committee that organized the swim pool drive include Jim Dana, co-chairman, Mr. and Mrs. Spencer Archer, Merle Brown, Mrs. Kathy Flint, Mrs. Ann M. Pilgram, Al DeGrassi, Mr. and Mrs. Mel Arighi, O. Monahan, H. J. Caldwell, John Rinne, Mrs. Marie Schilling, Joe Munroe, Mrs. Myer, Dr. N. Webster, Robert Callan, Dr. Ralph Hall, Robert Wale, Wayne Dalzell, Jim Lucas, Mrs. Muriel Hill, and Ritchie Smith.

The main pool is a twenty-five meter Olympic type pool with six racing lanes. A separate diving pool twelve feet deep utilizes two standard diving boards. The pool is currently being used by Miramonte girls' physical education classes and the school swimming team. Starting April 2, the pool will be open for community use.

## COTTON IN DEMAND

California's cotton contributes only negligible quantities to the nation's surplus, since most of the high-quality variety grown here is in good demand, according to the Water Facts Library. California cotton is an irrigated crop, says the Library, with 2½ tons of water needed to grow enough raw cotton for one lady's dress.

FIRST ONES IN—Mrs. R. Bowles and Miramonte Dean of Boys Robert Callan check on pool conditions with students, left to right, Allison Hanford, Marilyn Brown, Joyce Bailey, Diana Hetchkiss and Carolyn Schuler. They are the first students at Miramonte to try the newly completed school swimming pool. Mrs. Bowles is a member of a citizens' committee which helped raise \$25,000 towards construction of the pool. The Miramonte plunge will be open for community use April 2.

## Pine Grove Has 140 On Honor Roll

A total of 140 students have been named to the second quarter honor rolls at Pine Grove School, Principal Ted Boyce announced this week.

Boyce said 42 seventh graders and 13 eighth graders accumulated good enough grade averages to land them places on the gold honor roll, while 49 seventh graders had sufficient grades for spots on the silver honor roll.

THE SEVENTH grade gold honorees were:

Mary Kreick, Sandy LaRue, Sue Owens, Peter Pollaczek, Pat Williams, Chip Gardner, Barbara Nelson, Brian Cartwright, Bob Riddell, Stewart Mills, Peggy Rose, Philip Rust, Geoffrey Anderson, Carol Pearson, Betsy Pfeiffer, Greg Gonot, Bob Williams.

And Judy Johannessen, Mark Withners, Carol Meredith, Jennie Ann Ferguson, Susan Gregg, Kim Handley, Kathy Lanzarotti, Carol Thomas, Kathleen Halloran, Cathy Chase, Doug Howard, Paul Jacobson, Linda Rice, Rich James, Ellen Deahl, Connie DeLavega, Cathy Adams, Mike Henning, Ellen Rasmussen, Bill Loughman, Scott Babcock, Stella Zadeh, Mike Howard, Julie Wagner and Leslie Stanley.

EIGHTH GRADE gold: Richard Silbert, John Cheney, Dick Shirey, Nancy Irwin, Sara Deubner, Kate Ellis, John Heckathorn, Jeff Kingston, Larry Madin, Don Parce, Sylvia Siegel, Laura Taber and Steve Thaman.

Seventh grade silver:

CATHY COLE, LINDA Carden, Hazel Edmunds, Judy Edwards, Doug Fastabend, Greg Ford, Duke Gibbs, Lenore Hotten, Rae Jackson, Susan LaPlant, Mimi McGah, Sue Sungin, Mike Roth, Leslie Reid, Toni Markus, Charlene Bond, Eric Christie, Karen Kohl-hass, Judy Zimmerlin, Anne Scarff, Karen Bentley, Skip Allay.

And Sue Harlander, Lorna Olsen, Marilyn Singer, Nelson Anderson, Candy Bettencourt, Karen Bromley, Sue Davis, Gail Heffer, Donna Hirt, Judy Guibert, Diane Leichter, Sue Leftwich, Shawna Miller, Chip Monahan, David Schaffer, Pam York, John Barkley, Ricky Fiset, Kathy Grah, Janet Hawes, Julie Hickcox, Kathy Meyers, Tom Archer, Laurel Rosenthal, Bill Cunningham, Laurie Stahl and Chris Neddersen.

EIGHTH GRADE silver:

Peter Kimball, Kit Kersch, Nan Van Gelder, Teri Palmquist, Ben-ton Hildebrand, Tom Gould, Gene Strzelocki, Paul Viale, Dru Dunshie, Dick Brown, Cheryl Thomas, Parker Scott, Sue Brown, Raoul Yrberri, Mike Byer, Carol Whimery, Jerie Rugaber, Linda Roberts.

And Kay Dunbar, Claire Klug, Marjorie Honnold, Nancy Allen, Jan Chilton, Tom Cline, Patsy Coffey, Leslie Deming, Nat Howe, Sally Kocher, Judy Kronke, Sandy Lee, Larry Livingston, Mary Shaffer, Butch Workman, Mike Yededia, Peter Smyth and Paul McKeever.

## Volney Howard On Dean's List

Volney E. Howard III, son of Mr. and Mrs. Volney E. Howard Jr., 51 La Cuesta, is one of 117 cadets named to the dean's list at the New Mexico Military Institute in Roswell, N. M.

He is a third classman, or high school senior, at the institute and a cadet sergeant in the Corps of Cadets. He transferred from Miramonte High School in 1958.

Cadets who make the dean's list at NMMI are entitled to wear a gold star as part of their official uniform for as long as they maintain their record of academic excellence.

A cadet must attain a grade point average of 3.00 or better on a 4.00 basis in all his studies to make the dean's list, with no grade below a "C" in any subject.

## Retaining of Lafayette Designer up to Citizens

By LARRY GLAZIER

Only one more formal step remains before the employment of Aaron Green of the Frank Lloyd Wright Foundation as the designer for Lafayette's master landscape plan is official, The Sun learned this week.

That step apparently will be taken at 9 a.m. a week from tomorrow, when the Lafayette Design Project will meet with Green at the Chapel in the Valley.

A committee of six interested design project members met with Green at luncheon Wednesday and formally recommended the selection of the foundation's San Francisco designer for the Lafayette plan.

IN ATTENDANCE at the luncheon were Stanford White, project president; Stewart Wade; Lou Repetto, president of the Lafayette Chamber of Commerce; Mrs. Don Blackwood; Alice Miller; and Mrs. Herman Silverman.

The design project first proposed the retaining of an architect to redesign all of Lafayette when discussions were started concerning the three-part "face-lifting" of the community's main street, Mt. Diablo Boulevard.

The project, in conjunction with officials of the county and the Central Contra Costa Sanitary District, proposed the installation of a center planter strip along the boulevard at the time the sanitary district installs a new sewer line on the street in June.

OTHER FACETS of the "face-lifting" plan are lighting electronics and sidewalks, curbs and gutters throughout Lafayette's business district.

Contacted by The Sun yesterday, Green said the nationwide foundation is interested in the designing of Lafayette as "an interesting and important possibility as a demonstration project."

He explained the foundation has not undertaken a project such as this before, but will do so in Lafayette because the community presents a "common problem with unique possibilities." Green recently completed the design of the Marin County Center in San Rafael.

THE DESIGNER explained that the project would be handled through the foundation's San Francisco office, in conjunction with its headquarters at Spring River, Wisconsin, and Phoenix, Arizona.

He said the foundation will undertake the study "only if we are sufficiently assured that the community is ready for it and its citizens are willing to work for it. This is a large and ambitious undertaking for Lafayette—one we can't hope to accomplish alone."

If the foundation does undertake the project, and the "fif" hinges on next week's meeting, Green said a "general narrative report" will be presented to the citizens at the conclusion of the extensive study.

MANY SMALL communities throughout the nation, according

## Traces Of Rain Shower Orinda

Light showers fell in Orinda last week on Thursday, bringing the season's total to 18.36.

Moderately warm days have brought a feeling of spring that even the chilly nights can't dispel.

The mercury reached its high of 63 degrees on Saturday and Sunday and dropped to a low of 26 degrees on Wednesday night.

Here are the temperatures:

February 18	53	41
February 19	60	35
February 20	63	31
February 21	63	30
February 22	62	28

## Evening Polio Clinic Is 5-8

A special polio immunization clinic will be held next Thursday from 5:30 to 8 p.m. in the Walnut Creek office of the County Health Department, 2363 Boulevard Circle.

"We have been told that some families fail to receive protective polio 'shots' because they can't arrange to attend immunization clinics at regular clinic hours," said Dr. John Baier, assistant county health officer.

"This evening clinic is for the convenience of families, so that they may be able to increase the level of protection in this county," he said.

Four shots are now recommended for maximum protection. Families should start their series in March at their private physicians or at a Health Department clinic.

Parents must realize that they are not protected by the shots their children receive. Let all Contra Costans be sure that they are "safe" rather than sorry when the summer polio season hits.

Smallpox vaccinations and immunizations for diphtheria, whooping cough and tetanus as well as polio are available.

Those 13 years of age and under must be accompanied by a parent or guardian if they come to a Health Department Clinic.

Those 14 to 21 must have a Health Department consent form signed by their parent or guardian if they come alone to the Clinic. Adults may receive polio, diphtheria, tetanus and smallpox immunizations.

## Obituaries

### Arthur Steiner

Requiem mass was held February 8 for Arthur Steiner, 74, of 55 Alta Way, Walnut Creek, after his death February 4.

He was a retired forestry service officer and a member of St. Mary's Catholic Church. Rosary was recited for him at the Ryan Funeral Home, Richmond.

Survivors include his wife, Mary of Walnut Creek; daughters Mrs. Ann Dye of Walnut Creek, Mrs. Rose Livingood, Mrs. Helen Gauveia and Mrs. Adele Gauveia, all of Oakland; sons Max Steiner of El Cerrito and John Steiner of Sonoma.

### Anthony Martin

Requiem Mass was recited January 11 for Anthony Martin, 49, of 2725 Eccleston Avenue, Walnut Creek, an insurance agent and local resident for 20 years.

Survivors include his wife, Elizabeth, a son Anthony, Jr., of Walnut Creek, a daughter Mrs. Sharon Christensen of San Jose, a brother, J. D. Martin of Fresno, and four sisters: Mesdames Ralph Ong of Lafayette, Mary Castadio of Lemoore, Ann Brown and Patrick Patey, both of Visalia.

### Suejiro S. Kanada

Suejiro S. Kanada, 88, of Ygnacio Valley, died Monday in a Martinez hospital. Services were held yesterday in the Buddhist Church of Oakland.

Mr. Kanada had been a local farmer for 44 years. He is survived by his wife, Tatsumi, 535 Valley Vista Road; four sons, Massaru, Harry and Tatsuki of Walnut Creek and George of Minnesota; a daughter, Aki Kanada.

### Katherine Russell

Baptist services were held for Mrs. Katherine M. Russell, 60, of 1637 Wendy Drive, Pleasant Hill, in the MacFarlane-Bryant Chapel in Concord yesterday.

Mrs. Russell died Monday in a San Pablo hospital. She is survived by her husband Clarence; a son Clarence, of Pleasant Hill; Mrs. Rose Villa of Richmond, a daughter; Mrs. Christine Delaney of Honolulu, a daughter; and two grandchildren.

### Ethel Jane Rogers

Funeral services were held yesterday for Mrs. Ethel Jane Rogers at the Little Chapel of the Flowers in Walnut Creek. Mrs. Rogers, 75, died Tuesday after a brief illness.

She lived at 142 Jennie Drive, Pleasant Hill. She is survived by a son, Ira Rogers of Oakland; a daughter, Mrs. Mildred Marklyne of Pleasant Hill; three sisters and two grandchildren.

### Clifford Nelle

Services were held Tuesday for Clifford William Nelle, 53, of Jones Road, Walnut Creek, at the Chapel in the Valley, Lafayette. Mr. Nelle died Saturday in a Martinez hospital.

He was owner of the Homestead Land and Water Co., Inc., at one time. The company provided domestic water in the Lakewood area of Walnut Creek.

Mr. Nelle is survived by his mother, Mrs. Francis Nelle of Walnut Creek; two daughters, Mrs. Carla Jordon of Pennsylvania and Mrs. Linda Moore of Walnut Creek, and three grandchildren.

### Peggy Angel at Beauty School

Peggy Angel, known as "Miss deMarkoff" at Goldman's, Walnut Creek, has completed a special beauty school conducted by the sales promotion director of Alexandra deMarkoff, at the Cliff Hotel, San Francisco.

Object of the school was to acquaint a group of beauty consultants with the firm's new preparations for spring and summer.

Mrs. Angel received intensive training on "what-to-use" and "how-to-use" the new products.

HEART SUNDAY leaders are prepared for the two hour drive, February 28. Hours will be 2 to 4 p.m. Left to right: Mesdames C. C. Willert, Walnut Creek chairman; George Sondag, Lafayette co-chairman; William Van Voorhis, Orinda co-chairman; Mrs. Fred W. Mendershausen, Pleasant Hill, co-chairman.

## Baldwin Tells Candidacy For Fourth House Term

Congressman John F. Baldwin of Martinez announced yesterday that he will be a candidate for re-election to the position of Representative in Congress for the California Sixth Congressional District, which comprises Contra Costa and Solano Counties.

Baldwin was elected to the House of Representatives in 1954, and was re-elected in 1956 and 1958. He is now completing his third term in office.

BALDWIN HAS NEVER missed voting on a recorded roll call since being elected to the House of Representatives. He is the only member of the 30-man California Congressional delegation with a 100 per cent voting record.

Baldwin has steadily built up seniority on the important House Public Works Committee, on which he has served for six years. He is now the ranking Californian on that committee. He likewise serves on the Roads Subcommittee, the Flood Control Subcommittee and the Watershed Development Subcommittee.

In 1959 he was also appointed to an important Special Investigating Subcommittee on the Federal-Aid Highway Program. As a member of the Roads Subcommittee, Baldwin contributed an important part in the passage of the Federal Interstate Highway Act.

HIS SERVICE in Congress has been marked by numerous accomplishments. Baldwin led a successful fight in 1956 to increase by 33 1/2 per cent the authorization of funds for national park roads and trails. He also led a successful fight in 1955 to re-establish appropriations for

## Lady Realtors Attend Luncheon

The Women's Division of the Contra Costa Real Estate Board held its second meeting of the year at the Walnut Bowl Restaurant on Wednesday.

Betty McGinley, president, said the turnout was very gratifying, but urged those present to continue pressing for greater attendance. She stated the business meetings will be designed for spice and variety to avoid the doldrums of the average business luncheon.

One of the chief aims is to take a more active participation in state-wide problems affecting the real estate profession.

## Arnold Michaels Is President of Nat'l Clothiers

Arnold Michaels, president of Oakland Grodins Store, is the first West Coast man in 40 years to be elected president of the National Association of Retail Clothiers and Furnishers.

He spoke earlier this week at the Association's 42nd annual convention held in Los Angeles, emphasizing that slimmness will be the keynote for men's styles this spring.

The new styles will make the men with paunches look slimmer, he said, adding, "The new silhouette emphasizes longer lines. Lapels are longer and narrower. Trouser legs are also narrower."

He added that sales are up seven to eight per cent from last year, and this is the first time since 1927 that the industry had increased its share of the consumer's disposable dollar.

## Boat Stolen From Fain's Kitchens

Ferris Fain, 2760 Cherry Lane, Walnut Creek, reported the theft of a \$900 runabout boat from his store, Diablo Kitchens, 2770 Mt. Diablo Boulevard, Lafayette, last weekend.

Fain, a former major league baseball player, told sheriff's deputies the boat was alongside his place of business Saturday, but was found to be missing Tuesday morning.

## Welcome Heart Sunday Worker From 2 to 4 p. m.!

Heart Sunday volunteers will seek to call at every home in the country on Sunday afternoon between 2 and 4 p.m. asking for contributions to the 1960 Heart Fund drive conducted by the Contra Costa County Heart Association.

In general, the volunteers will call at homes of 10 to 12 immediate neighbors in the one-year drive for contributions to the Heart Fund.

In cases where residents are not at home, the caller will leave a "not-at-home" pre-addressed, mail-in envelope for convenience in sending in contributions.

"HEART DISEASE — Your Number One Enemy — Your Number One Defense — Heart Fund" is the slogan for the 1960 Heart Fund campaign.

A total of \$64,000 is the goal sought in Sunday's drive. This amount has been pro rated among the communities with each local chairman accepting a share of the total.

A large number of the volunteers participating in the Heart Sunday effort have a personal interest in the outcome of the drive. They are women who are themselves victims of heart disease or have someone in the family who has suffered from some form of heart ailment.

Mrs. Robert Clough, Walnut Creek, Heart Sunday chairman, is an active, healthy woman today, has said, because newly discovered methods of treatment put her back on her feet after years of being handicapped with a heart condition.

ONE DEDICATED volunteer asked for a level block for her calls since her heart condition prevents her from climbing hills. "But I want to help," she added.

Another woman who must watch her heart will call on homes on the even numbered side of the street and has asked a neighbor to help with the opposite side where there are steep steps.

Mrs. John T. Yasuda, Walnut Creek, whose daughter Lynda,

## Sun's Who Was Heuer

Rex Heuer, 1150 Robles Court, Lafayette, is \$5 richer as the result of his having been identified as The Sun's Lucky Commuter of last week.

Heuer, who works in the composing room of the San Francisco News-Call Bulletin, also won a year's subscription to The Sun. He has been a resident of Lafayette the last four years.

If The Sun's Lucky Commuter is already a Sun subscriber, he wins a \$10 cash award.

## Suburbia Scribblings

By MARIE MONAHAN

### From Out of Nowhere—

THE OTHER DAY, the children's pet rat, a furry white pink-eyed creature (ugh!) gnawed himself out of his cage & disappeared under the house. While chasing after him there, w/a butterfly net yet (what a picture!), we made a rare discovery—not oil, not gold, just a Contra Costa telephone directory dated Sept. 1938 which made fascinating reading while the rat was forgot for the time being.

BACK in that yr. just after the tunnel was built, the entire County phone book was comprised of only fifty pages, half classified & half the page-size of the current book.

We had to HUNT for Orinda which occupied only a page & a half, some 300 names in all.

The numbers were just plain numbers, no prefixes or such & many of the addresses read simply—R. W. Breuner, Orinda or the name of the street, no house # for the handful of pioneers who lived here in this once summer-home area.

FAMILIAR NAMES . . . Stanley Allen on Orchard Rd., the James H. Andersons on Via Hermosa, George Brockhurst on E. Toyonal, E. A. Dawson on Orinda Hwy., A. W. Elkinton, the Fleagers, de Laveagas, Farrars, Hickoks, Hoyers, Jacobuses, Howard Kisner, Littlejohn, Lucas, Mott & all the Gentrys are listed there.

What hath time wrought . . . Just ask Warren Harrold, the William Pattersons, Ed Sibbetts, Ritchie Smiths, Warde Soriccks, Thomas Telfers, Paul Vashells, Woolsey, Laxes & Charles Malone, who have been around to see the many changes!

Dr. Alexander Brown lived in our Loma Vista house, the Lonie Bees were at no number La Noria Dr., & the Harold Ohleyers were just about to buy that old isolated farmhouse on Hacienda Circle that looks as new now as the homes next to it, free-form pool, cabana & all.

### In My Merry Oldsmobile—

Twenty-two years ago, you had your choice of two markets for pantry supplies—Orinda Store was had by dialing 6171 & the Cravotto Market on Tunnel rd. must have been around for it is the only other Orinda number, 5311.

A LOOK IN THE YELLOW pages (alto' most pages had yellowed over the years), & we came up w/ the following—Liquor stores, there were only 18 in the entire county, but on the other hand, the place was flourishing w/ hotels—of which there were 75, mainly in Richmond, Martinez & Pittsburg.

There were 20 hardware stores, 2 of which were in Lafayette & the only golf course listed was the Diablo Country Club altho' the Orinda Country Club was a going concern by then & memberships transferred for a happy gain of \$5.00 on the \$35.00 initial investment, well, that was good profit!

In the days when new Oldsmobiles sold for \$975, a stop at the local Confectionery or Creamery got you a double-malt for ten or fifteen cents. But people still had trouble stretching their nickels instead of their dollars for there appear to be 7 different collection agencies.

There were plenty of places to call up for COAL delivery, but only one Cocktail Lounge & wouldn't you know, that was in Lafayette. But there were many places for Beer & Wine & billiard parlors or pool halls are listed right above Blacksmith Shops of which there were five. Under Architects, only ONE name! Fascinating reading & now you can see how WE waste time!

P. S. We STILL haven't found the pet rat!

BRIGHT AS BRASS is the gold star gracing the uniform sleeve of Volney Howard, III. From the look in his mother's eye, it's reflecting all the way up here. From New Mexico, where Volney recently received the scholastic honor of making the Dean's list at the New Mexico Military Institute at Roswell.

The 18 yr. old 6-footer who transferred from Miramonte to the NM Prep School for West Point, expects to further his education at Stanford. He is the son of the Volney Howards of La Cuesta. And are they PROUD!

DOMICILE DATA . . . The Cliff Benjamins have sold their Loma Vista Dr. house & and will transfer their treasures to the top of Acacia Dr. & into the former Kruse residence.

FIREMAN ED & his Pat Higgins have sold their So. Trail home to a couple from Connecticut, George & Betsy Parks.

### From Chilly Knickers' Notebook—

Up for the Opening ceremonies at Squaw were the Roger Starks who "wouldn't have missed it for the world"—Helen still isn't sure whether the tears were from the momentous occasion—or the cold, but the tears from Sentiment probably win out. It was their daughter Barbara Stark who copped honors for the U. S. in backstroke swimming at the '52 Olympics in Helsinki.

THE FORMER SWIM Champ, now a young Menlo Park matron, came up for the festivities w/ her husband Frank Jordan & together w/ Helen & Roger Stark were houseguests of the Norris Wigginses at their place in the Rainbow region. The Wiggins' dgtr. Lynn & her hubby Peter Hegerle joined the guest-crowd here, too.

From Chilly Knickers' notebook: More in the wind, mob of 47,000 were the Milton Selbys & their dgtr. & son-in-law Betsy & Bob Bingham. Another dgtr. Joanne came up from Ventura w/ her skier husband Dick Karschner. . . The Barclay Simpsons who had the children up for an earlier sight-see returned again by themselves solo for some added fun last wknd.

Doing it the easy way, Dr. Bob McEligot who flew up Monday a.m. landing at Reno, returning the same afternoon, w/ no emergency calls to rout him back to duty.

THE BILL GILMORES got up or stayed up till after midnight Sunday (Confirmation Day for two of their youngsters) & took off for the Alpine treatment arriving in the Valley early dawning (along w/ 20,000 others who had the same idea?) Ivar Fjelbo, a Norwegian skier who doesn't do so badly himself on the broad slopes, went up just for the day & other families attdg. were the Jim Christiansen, Ollie Gardiners, Russell Gilwees, Ellen & Philip Hicks & the Harold Hellers, who were billeted in Reno, returning home Wed. Their son Johnny Heller, by the way, brought his yo-yo along, for he's a Champ, too—having won FIRST place in the Orinda Yo-yo contest, 2nd place in the county, & he's only a 4th grader!

Leasing Noemi & Bill Leonard's handsome house at Squaw for the duration of the Olympics have been the Prentiss Cobb Hales, he of the Organizing Committee, so under THEIR roofs have much of the royalty & bigwigs been entertained & parted.

The School Board's ruling on the go-carts or quarter-midgets was necessitated by a recommendation both from the Orinda Safety Council & the D. A.'s office. We KNOW Nathan Gray felt badly about barring the little cars from the schoolgrounds as did other board members who have made the suggestion that a sponsor be found for this sport . . . which has grown into quite a popular hobby for many young men.

How about the sponsorship of some of the Orinda merchants, service stations, restaurants—With a few rules, the School Board would be receptive to changing their ruling which was mainly a precautionary measure. (In the word of KABL, "Think About It.") School Board Mtgs. are held 1st Monday monthly & the kids would do somersaults if someone would take up the Sponsorship. This could lead to a regular wkly. schoolground event & the spectators, too, would get a kick out of watching those fascinating little cars.

PANDORA'S BOX for Spring reveals a Lunch & Learn benefit for Children's Home Society w/ a hot lunch & a "How-To" talk by well-known decorator John Wheatman. The date is Mon., Mar. 7, 12 noon at Mike Lynn's, Tks. \$3.00 from Carolyn Walsh, DR. 6-4773. Chairman chores will be shared by two busy Bees, Bee Hendrickson, that is, & Bea Van Gelder.

THE CASTLES of our time, the dancing Cliffords, George & Doris, start a new dance session under the sponsorship of the Orinda Woman's Club, to be held the 1st & 3rd Fridays of the month starting March 4. Couples who care to kick up their heels & learn something besides the two-step should call Virginia Gregg, CL 4-5643 & she'll chalk you up for the cha-cha, etc.

A TRIO of Treats & Tea is the springtime song of the Orinda Orioles—to benefit Mt. Diablo Therapy Center, a series of 3 guest speakers highlight the afternoon affairs & first surprise for April 7 is Orinda Altha McManus whose fabulous career in the world of high fashion will be told to the tune of a salon showing of very elegant French gowns, one of which is a Paquin original & worth umpteen-hundreds! Tks. available from members or by calling Ruth Walker, CL 4-3196. Or me . . .

## In the Classroom . . .

### Pine Grove: Hoopsters Notch Three Victories

The seventh grade varsity basketball team led the Fairview Falcons to their first defeat of the year by a score of 33-14, as Bob Riddell paced the scoring attack with 12 points while the second string shaded Fairview's B's 28-26 in overtime.

On Friday, the seventh grade beat Pleasant Hill by a score of 34-29. John Barkley was high point man with 11 points. Twenty minutes later they went on to beat Martinez, 34-26.

Miss Tighe's seventh grade class has made up some activities for social studies on Greece. Each student has chosen an activity to work on.

Some of the activities are: Make a diorama on a board or a box; make a soap carving; make a scrapbook including pictures and biographies; write and direct a Greek play; write a Greek story and give a Greek oration.

Choices so far are:

A Plaster of Paris Parthenon, by John Weatherbe and Ted Schilling; Clay models (to scale) of the Parthenon by Paul Labarile and Tom Statton; Soap carving of the Horse of Troy by Herb Hoffendahl and Gail Campbell; a Greek story written by Dave Miller.

MR. RIMOV'S seventh grade room has decided that everyone will build an electric motor. Ten working motors made out of a test-tube, corb, bolts and wires have been turned in as science projects. However, some students have turned in fuse boards, bell boards and other assorted projects.

This week they launched their study of Asia. A chalk and construction paper bulletin board display is in the making.

### Inland Valley: Antarctica

Boys and girls in Mrs. Ray's second grade at Inland Valley read

an account about recent expeditions in the Antarctic region.

Special reports and maps were made by Cameron Confee, Linda Hidy, Karen Jones, Renee Peterson, Martha deLaveaga, John Schine, Bruce Rahlves and Rebecca Elmore.

Jim Turner is preparing a special report on some of the great Americans born in February. The list includes Washington, Lincoln, Jefferson and Edison.

### Orinda: Gold Rush

At the Orinda School, Mrs. Davis' fourth grade class is studying about the gold rush period of California history.

Students have contributed the following period models: Charles Loring, a rocker; John Sullivan, a "Long Tom", and Nora Nuen-schwander, gold pan specimens.

The class members have been amused by the thought of having to pay \$1 a pound for beans and by the names of some of the gold rush communities—Hangtown, Shittail Canyon and Eye.

## Go To Church Sunday Christian Science Congregational

The scientific basis of lasting peace will be the topic of a free lecture on Christian Science to be given in Lafayette by Lona Koch-Meisen of Boston, Mass., on Friday, March 4.

Mrs. Koch-Meisen, a member of The Christian Science Board of Lectureship, will speak in Lafayette Community Methodist Church, 955 Moraga Road, under the auspices of the Christian Science Society of Lafayette. Her subject will be "Christian Science: The Answer to the World's Prayer for Peace."

A NATIVE OF Darmstadt, Germany, she has traveled widely. After graduating from the University of London, she taught English in Germany for several years.

She became interested in Christian Science in 1927 when she experienced a healing of a serious disease through reading a testimony in the German edition of The Herald of Christian Science. Since 1933 she has been in the public practice of Christian Science healing. In 1952 she came to the United States where she served in Boston as translator of the German edition of the Herald, published by The Christian Science Publishing Society.

The Reverend Walter C. Bishop will preach at the 9:30 and 11 o'clock worship services Sunday morning at the Orinda Community Church. His sermon topic will be "The Prodigals."

The senior choir will sing "I Have Longed for Thy Saving Health" by Byrd at the early service, and the junior choir will sing "Children of the Heavenly Father" at the later hour.

CHURCH SCHOOL classes, three-year-olds through the eighth grade, will be held at the 9:30 and 11 o'clock hours. Infant care will be provided during both services.

Senior Pilgrim Fellowship will have its regular meeting in Fellowship Hall at 7 p.m.

Bible classes will meet Tuesday at 10 a.m. and Wednesday at 1 p.m. The Tuesday class will begin the study of the "Romans."

THE GUILD BOARD will meet in the Livingstone Room Tuesday morning at 10 o'clock. The guild luncheon will be served at noon in the Fellowship Hall. John Baker Herod will speak on the mission needs and activities in South Africa and Rhodesia.

Dr. Theodore A. Gill, president of the San Francisco Theological Seminary, San Anselmo, will be the speaker at the first session of the Christian Life series on Wednesday at p.m. in the chapel. His topic will be "Unity of the Church."

Junior High Pilgrim Fellowship will meet at 4 p.m. on Thursday for study, recreation, worship and dinner.

Episcopal

Services of Holy Communion at 8 a.m. and morning prayer and ante-communion at 9:15 a.m. and 11 a.m. will be held on Quinquagesima Sunday at St. Stephen's Episcopal Church, St. Stephen's Drive and Las Vegas Road, Orinda.

In the absence of the Reverend C. Corwin Calavan, rector, who will be leading a weekend retreat at Mt. Hermon, the celebrant at 8 o'clock will be the Reverend Jack B. Livingston, former curate at St. Paul's, Walnut Creek, who is currently a graduate student at the Pacific School of Religion.

THE LATER morning services will be read by the Reverend William Pothier, associate pastor, who will also deliver the sermon. Church school will meet for kindergarten through eighth grade at 9:15 and for three year olds through fifth grade at 11 o'clock. The class for high school students will meet during the later service at the Robert Moorehead home, 36 Via Florencia.

The class will be conducted by Charles Hunt and Kenneth Nagel, and in addition to class discussion there will be final planning for the ski trip.

NURSERY care for younger children will be available during both services at the David Wenrich home, 14 St. Stephen's Drive.

There will be no evening meeting of the adult discussion group due to the absence of the rector.

On Tuesday the annual Shrove Tuesday pancake supper will be served in Hill Memorial Hall by the Young People's Fellowship. There will be two sittings, at 5:30 and 6:30 p.m., and a charge of \$1.50 for adults and 75 cents for children will be made.

RESERVATIONS should be made in advance through the church office.

On Wednesday the observance of Lent will begin with the penitential office for Ash Wednesday and distribution of ashes followed by a celebration of Holy Communion at 7 and 10 a.m.

At 8 p.m. the penitential office will be read and will be followed by the first in a series of Lenten lectures by the Reverend Dr. Edward Hobbs, assistant professor of New Testament at the Church Divinity School of the Pacific, Berkeley.

THE BASIC theme of the Lenten study will be the manner in which the Gospel is being proclaimed to us obliquely under the forms of contemporary art works.

The subject of the first lecture will be "Listening for the Gospel." Beginning March 10, the Lenten schedule will also include a celebration of Holy Communion at 7 a.m. on Thursdays. Throughout Lent, the Wednesday morning services will be preceded at 9:55 a.m. with a reading of the penitential office.

On Friday St. Stephen's will be host to the churches of Orinda and Lafayette for the annual observance of the "World Day of Prayer" at 1 p.m. The theme of the service this year will be "Laborers Together With God." Mrs. Walter Christie is chairman.

Methodist

The Lafayette Community Methodist Church, 955 Moraga Road, will hold Sunday morning worship services at 9:30 and 11 a.m. The Reverend Wayne H. Long will preach on the topic "Roll of Honor." Nursery care is provided at both services.

At 9:30 a.m. church school is held for all ages, including a high-school class. A Bible class and a church school class for adults is held at 9:30 a.m.

Tonight at 6 p.m. is our Mission Night family potluck with Dr. Mallory speaking on "Africa."

Monday evening at 8 o'clock all the commissions will meet. Wednesday at 9:30 a.m. the Wednesday Bible readers meet at the home of Mrs. Lawrence Peirano, 1012 Willow Drive. All women are cordially invited.

Next Sunday communion services will be held at both services.

WORD IS passed by students Terry Young (left), age 4, and Bobby Cleghorn, also 4, that their school, the Lafayette Nursery School, is sponsoring a program of the Gateway Singers at the Hotel Claremont in Berkeley Sunday at 8:15 p.m. The event, tickets for which are priced at \$2.25 each, is the school's major fund raiser of the year. Tickets may be obtained by calling Mrs. Robert Cleghorn, AT 4-4602.

Christian Science L. D. S.

Christ Jesus' inspiring mission of healing and redemption will be the central topic at Christian Science church services this Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek, and in Concord at the corner of Grand and Park Streets.

CHRISTIAN SCIENCE Society of Pleasant Hill holds its services at Kahrs Avenue and Boyd Road, Pleasant Hill.

The Lesson-Sermon entitled "Christ Jesus" will include this passage from John (10:36,38): "If I do not the works of my Father, believe me not. But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him."

And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this citation will be read (26:14): "Divine Truth, Life, and Love gave Jesus authority over sin, sickness, and death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."

Lutheran

Worship services are conducted at 8 and 11 a.m. at Shepherd of the Valley Lutheran Church, 294 Orchard Road, Orinda.

This Sunday, Pastor Hidy will speak on the subject, "Jesus Christ is Passing By."

SUNDAY SCHOOL classes begin at 9:30 a.m. with Mark Shepherd, superintendent, and the devotionals led by Charles Ivy.

Adult instruction classes continue Sunday evening at 8 p.m. with Pastor Hidy leading these meetings.

Wednesday evening there will be a service of Holy Communion at 8 p.m., which will begin our observance of Lent. Each Wednesday evening at 8 there will be a Lenten service with the theme, "Voices of the Passion."

CONFIRMATION classes are on Tuesday evening, the junior class at 6 o'clock and the senior class at 7 o'clock.

Junior choir practice is at 4:15 p.m. Thursday, with senior choir practice at 7:30 p.m. Thursday.

## Pat Lawrence Is New Publicity Chief at College

Mrs. Pat Lawrence has been appointed director of public information and publications for St. Mary's College, it was announced today by Brother S. Albert, F.S.C., college president.

Mrs. Lawrence, supervisor of the college news bureau for the past two and one-half years, has been with St. Mary's since 1955.

SHE WAS FORMERLY assistant advertising and promotional manager of KNBC and Bay area manager of Radio Reports, Inc.

Mrs. Lawrence resides with her husband at 936 Reliez Station Road.

Mrs. Lawrence replaces Walt DeFaria of Orinda who has resigned to join the San Francisco office of Dancer, Fitzgerald and Sample, a national advertising firm.

DAR Will Have Anniversary Tea

Aclanes Chapter of the Daughters of the American Revolution will have a 10th anniversary tea March 7 from 2 to 4 p.m. at the home of Mrs. George Glascock, Arlington Avenue, El Cerrito.

Regent Mrs. James Box of Concord announces the tea will be in honor of Mrs. Harvey Lyon, now of Oakland, who was the organizing regent of the chapter in Lafayette January 12, 1950.

Mrs. Lyon is now assistant recording secretary of the state organization.

Guests will be the regents of the East Bay and San Francisco chapters and members of the state board and honorary state regents.

Committee members working with Mrs. Clarence Smith of Orinda, chairman of the tea, are Mrs. Ralph Dewey, Mrs. Curtis Newcombe and Mrs. Bradshaw Harrison of Orinda, and Mrs. Walter Dreyer of Oakland.

## Guests of Soroptimists Man, Woman of Year

Guests of the Lafayette-Orinda Soroptimist Club at luncheon this week were Orinda's 1955 Woman of the year, Mrs. Ann Pollaczek, and Lafayette Man of the Year, Stanford White.

A native of Hawaii, Mrs. Pollaczek has lived in Orinda for many years. Through her leadership and inspiration and because of her enthusiasm, Orinda has benefited in a beautification program. For her efforts towards making Orinda a better place to live Mrs. Pollaczek was chosen Woman of the Year.

Active in Garden Clubs in Orinda, a member of the Dramateurs, the Orinda Art Center and interested in Scouting activities, Mrs. Pollaczek now serves as Civic Beautification chairman of this district of the California Garden Clubs Association. She also holds a Masters degree in anthropology.

UNDER THE sponsorship of the Chamber of Commerce, Mrs. Pollaczek, co-chairman with Stan Allen, recently instigated a community-wide tree planting day. They have been instrumental in shrub and tree planting in the Orinda shopping areas since then.

"Community interests are worthwhile projects," said Mrs. Pollaczek, "and a beautification benefits everybody."

Stanford White spoke concerning the Lafayette Design Project and the School Bond election to be held on March 8.

ABOUT The planning and beautification program in Lafayette, White said, "There is a necessity for vision. And an acceptance of the community in this project is important, primarily in the business area."

The East Bay Municipal Utility District had planned to put a large aqueduct down the middle of Mount Diablo. This would cause inconvenience, traffic hazards and an interruption of business, White pointed out. He has been instrumental in persuading the EBMUD to change their intentions, putting the pipeline along the freeway right of way instead.

A narrow strip of planting will soon be down Mt. Diablo Boulevard, according to White. This will be an attractive divider over a sewer pipeline.

"Operation of the school district will be impaired," explained White, "if the two issues in question are not passed in the coming election. Expiration of the school bond means back to a 90 cent operational budget."

"BASED ON studies by the county and Stanford White, it was discovered that a \$2.75 rate is necessary indefinitely," White continued. "This is no insurance of either an increase or decrease, but the current rising prices of commodities such as clothing, food and general living have resulted too in affecting school and educational operations in this district," he said. "Inflation has resulted in a 50 cent increase."

The election also is an authorization by the people for future building programs. These are planned over a period of five years.

"Bonds do not mean an increase in tax rates," White emphasized. A two-thirds majority is needed and it is important to vote on March 8."

Active in civic affairs, White is also an accountant for the school district. He is currently a director of the Chamber of Commerce and is a past-president. Asked to select a Lafayette citizen who had contributed most to the community welfare during 1959, a committee appointed by the Sun newspaper, chose Stan White for his leadership and publicly recognized community efforts.

way right of way instead.

A narrow strip of planting will soon be down Mt. Diablo Boulevard, according to White. This will be an attractive divider over a sewer pipeline.

"Operation of the school district will be impaired," explained White, "if the two issues in question are not passed in the coming election. Expiration of the school bond means back to a 90 cent operational budget."

## Every Child has the Answer to these Grown-up Problems!

Lost your youthful figure?

On a diet? Add milk to your diet, and be happy while you're losing weight. Milk's high protein content satisfies your hunger and gives you energy. It's loaded with health-giving vitamins and minerals, too... but no fat-producing starches.

Don't sleep like a baby anymore?

Discover the secret of natural sleep again! Milk's high calcium content helps to soothe your jangled nerves—relieve tension. For pleasant, restful slumber... try switching from drugs to refreshing, healthful milk.

The glow gone out of your complexion?

For a smooth and healthy complexion—your skin needs the magic of riboflavin. And milk is one of the richest natural sources of this essential member of the Vitamin "B" family. So, for beauty's sake... make your drink MILK!

## Do as the Children Do...

### Drink Plenty of Fresh, Pure MILK!

EAST BAY PRODUCERS' MILK COUNCIL

## Too Old for Jaycees? Beware Of Coronary!

"The moment you are too old for Jaycees, you are at the age where there is risk of coronary heart disease," Dr. Peter Kunkel told members of the Walnut Creek Area Junior Chamber of Commerce last week.

Dr. Kunkel advised the following: (1) don't eat fatty foods; (2) exercise moderately; (3) "get off the treadmill" if you are under severe job pressure.

Kunkel observed that autopsies on young soldiers killed in Korea indicated that, despite their youth, their arteries showed signs of hardening and the presence of cholesterol, which tends to block the flow of blood. This was due to the heavy American diet, which includes many rich foods, he said.

ALSO, NORWEGIANS under the German occupation during World War II noted a sharp drop in heart disease, and this was found to be due to the skimpy diet allowed them.

The heart disease rate immediately turned sharply upward at the end of the occupation and the resumption of the traditionally bountiful Norwegian repast.

Kunkel also indicated that the formation of cholesterol in the arteries can be reduced by eliminating from the diet whole milk, dairy products such as butter, margarine, and meat, the leanest of which is heavy with "saturated" fats.

They may be replaced by skim or powdered milk, certain oils with "unsaturated fats" such as corn oil, and fish and fowl, which have no saturated fats.

IF MEAT must be eaten, it should be broiled, allowing much of the fat to drip away, he said.

For the person of 35, 40 and older... "the traditional cheeseburger with milk shake or malt is suicide," Kunkel continued.

Regarding exercise, he said exercise does not cause heart disease—it is the condition resulting from lack of exercise and the wrong diet that usually leads to the coronary attack.

Kunkel himself goes through a few basic calisthenics each morning. "Many people say, 'I haven't got time, or exercising looks ridiculous,'

"BUT IF YOU are really concerned, it's not ridiculous," he said.

A little exercise daily, not a lot of exercise once a week, once a month or once a year is what the body needs, he said.

Kunkel does a few pushups and other exercises. Skipping rope is excellent, and riding a bike is fine exercise, he said.

Kunkel himself is slightly built, but he explained that his own doctor recently told him to go on a diet, which he did. Ideally a person should maintain the weight he or she had when 20 years old, he said.

## Area Chemists Putting Geiger Counter on Shelf

Doctor V. P. Guinn of Walnut Creek and Dr. Charles Wagner of Orinda are the industrial research chemists who developed an instrument eight thousand times more powerful than a Geiger counter.

Dr. Guinn was asked to discuss it recently at the Western Industrial Radioisotopes Conference in San Francisco.

Their advanced radiochemistry research for Shell Development Company, Emeryville, has perfected a new technique for counting radioisotopes which will benefit industry.

MOST OF THE major oil companies have researches studying the application of radioisotopes in research laboratories and in refineries," said Guinn in a talk on "Radioisotopes in the Petroleum Industry."

As an example, he cited some of the tracer work in the application of advanced, high-efficiency isotope - counting techniques at their research center at Emeryville.

The new liquid scintillation techniques for isotope counting are 8000 times more sensitive to tritium (radioactive hydrogen) and 1000 times more sensitive to carbon-14 than is the Geiger counter, he said.

"Also, we can take about a dollar's worth of gamma emitter and measure it accurately after it has been diluted with as much as 3 million gallons of petroleum, by using a crystal scintillation counter 50 times more sensitive than the Geiger counter, Dr. Guinn said.

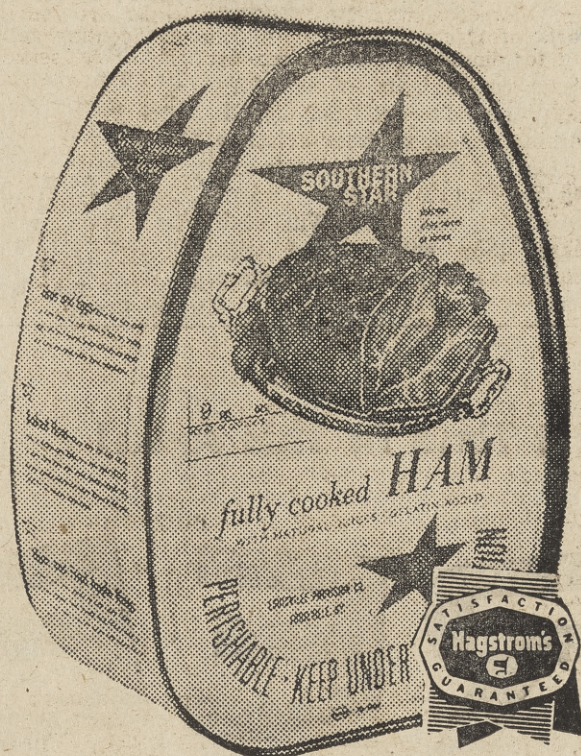

"In fact, we can detect radioactivity in concentrations lower than the slight natural radioactivity of potassium in the human body."

ANOTHER technique allows the accurate measurement of gas flow rates of several hundred thousand cubic feet per minute with only a few dollars worth of radioisotopes.

The advantages of this high sensitivity are in dollar savings and in safety.

Much smaller amounts of radioisotope than previously required are now needed. This not only cuts costs of radioactive raw material, but greatly simplifies the safety aspects of studies involving these materials.

## WC Woman Wins First Prize for Water Color

Mrs. Marie MacDonald Roberts of 121 La Bolsa Road, Walnut Creek, won first prize in the water-color category at the Society of Western Artists at the deYoung Museum, San Francisco. She is a member of the Diablo Art Association.

Mrs. Vivian Cook of 3631 Bickstaff Road, Walnut Creek, and Mrs. Gertrude Stockton of Diablo, were also accepted in the show.

MRS. MONA Williams, exhibit chairman for the Diablo Art Association, said several one-man shows will be featured during February.

Mrs. Jessie Thomason, 3620 Sunrise Court, Martinez, oil paintings at the Pleasant Hill Nut Bowl; Rolfe Williams, 2501 Lucy Lane, Walnut Creek, landscapes at the Village Theater, Danville.

Mrs. Ida Nardini, Box 1248, Walnut Creek, black and white drawings at Pillsbury; Mrs. Ruth Hussey, portraits at Alamo Medical Center, 121 Camino Amigo, Danville; Jack Laycox, water-colors at both the Kaiser Hospital and Suburban Carpets, Walnut Creek, 25 Oak Court, Walnut Creek.

## Schools CD Unit Met Wednesday

The Contra Costa County School Administrators' Civil Defense Committee met last week from 9 to 11 a.m. in the west room of the Student Activity Building of Diablo Valley College, according to Ward Cockerton, chairman of the civil defense committee and fire training coordinator for the junior college district.

This committee is composed of superintendents of the school districts of the county or their civil defense coordinators, and representatives of private and parochial schools.

On the agenda were: Albert Sigal Jr. of Palo Alto, a member of the American Institute of Architects, who will speak on school planning for civil defense shelters and will show a model of a school which incorporates civil defense specifications and recommendations in school construction.

The committee working on the problem of the legal complications of walk-home and other CD drills reported the results of their meeting with the state board of education in Sacramento on last week.

Problems of school evacuation were discussed.

The school administrators' civil defense committee was organized in 1955 to pool information as to what is being done in civil defense in the schools and to work out problems jointly so that there may be close unity in planning.

City CD directors are invited to attend the meeting in order to coordinate the school CD plans with the community CD plans.

Will H. Perry Jr., director of the Contra Costa County office of civil defense and disaster, and members of his staff work closely with this committee in an advisory capacity.

Mrs. Thyra Schaefer, 55 Charles Hill Road, Orinda, is holding a show at Compton's, Walnut Creek.

MRS. SCHAEFER has spent several years learning the various phases of painting. She studied portraiture with Thomas Leighton and Peter Blos; attended classes at San Mateo Junior College and with Ray Strong, well-known artist and teacher. With Miss W. Anna Berge she learned the many facets of color and design.

Mrs. Schaefer has hung her paintings in the Santa Cruz Annual, deYoung Museum, Oakland Art Museum, Richmond Art Center, Sacramento State Fair, Antioch and Walnut Creek.

She is affiliated with the Diablo Art Association, Society of Western Artists, the Hayward and Marin Art Associations. The current show includes landscapes, portraits and still-lives.

Mrs. Charnian Stapler, membership chairman for the association, is completing plans for the special pot luck supper event to be given on February 22 at the Walnut Creek Women's Club.

Sherman, Clay and Co., one of the oldest music houses in the country, opened the doors of its new San Francisco headquarters, February 11.

The event was of special importance in the city's musical and business history, because Sherman, Clay has been a cultural and commercial leader of San Francisco and the West for 90 years.

Furthermore, the firm has conducted business from the historic "Sutter and Kearney" address ever since its founding in 1870, the 90th anniversary of which is also being celebrated by Sherman, Clay.

## Sherman, Clay Opens Office

Sherman, Clay and Co., one of the oldest music houses in the country, opened the doors of its new San Francisco headquarters, February 11.

The event was of special importance in the city's musical and business history, because Sherman, Clay has been a cultural and commercial leader of San Francisco and the West for 90 years.

Furthermore, the firm has conducted business from the historic "Sutter and Kearney" address ever since its founding in 1870, the 90th anniversary of which is also being celebrated by Sherman, Clay.

AMID FLAGS OF ALL nations were girl scouts, brownies and "intermediates" who held their annual father and daughter banquet recently under the sponsorship of the Mt. Diablo Council. Left to right: Mrs. A. Muti, Leslie Huggard, Dewey Huggard and Mrs. R. W. Rustvald. — Sun photo by Bob Rush.

## Dramateurs Open 'Picnic' Feb. 26 for Five Weeks

"Picnic," the forthcoming production of the Dramateurs at Lafayette's Town Hall, is one of the brightest stars in the meteoric rise of William Inge as an extremely talented playwright.

Produced by the Theatre Guild three years after his "Come Back Little Sheba" was a hit, "Picnic" was greeted by New York critics as the real flowering of the young Inge's abilities.

PRODUCED FIRST in 1953, it was the winner of the New York Drama Critics Circle Award. Subsequent plays written by Inge include "The Dark at the Top of the Stairs," which recently concluded a stay in San Francisco.

Subtitled by its author, "A summer romance in three acts," "Picnic" is the story of how a young roustabout influences the lives of a family group in a small midwestern town, where he has stopped to earn a breakfast.

On that day, a picnic is being planned, and the events that follow his arrival on the scene have been described by critics as "stirring, tender and hilarious."

SEVERAL NEWCOMERS, now well-known Hollywood stars, appeared in its original New York cast. They include Janice Rule, Paul Newman, Kim Stanley and Eileen Heckart.

The local production is directed by Carl Rasmussen and stars all.

## Roaring 20's Is PTA Theme

The Walnut Heights PTA held an annual "Founders Day" dinner and program on February 10 in the multi-purpose room.

The "roaring Twenties" was the theme.

Numbers were; "Roses in Bloomers" by Joy Reed, Hazel Hill, Evelyn Hoener, Jean Diehl, Pam Howard, Guen King, Gill Reed, Alex Karim; "Knee Knockers," by Guen King, Joyce Melville, Maxine Mossman, Merle Flynn; "Giggling Gingham Girls" by Joan Kleigerman, Pat Green, Pam Howard, Betty Hood, Alice Lind, Doris Parsons, Lucile Stull, Alden Mackay, Jack Terry; "Bustling Beauties and Betty Boop" by Krosno, Slathe, Karim, Parsons, Green, Marshall.

## Your Garden Rhododendron In Bloom Is Regal and Gorgeous

You can pull out all the stops when you go to describe a rhododendron in full bloom. Call it regal, gorgeous, voluptuous — we'll go along. It's all of these and more.

In fact, we've always felt it a good thing that most azaleas, camellias and other spring shrubs have finished their bloom before rhododendrons start theirs. To see them all at the same time would be too much of a good thing. The others would only play second fiddle at best.

ACTUALLY, the beautiful red rhododendron Cornubia is already showing color in some northern California gardens. But this we can buy, since it is only one among the many colors that forecast spring. And, too, its shadings are a true bright spot in late winter gardens.

The bulk of rhododendron bloom comes later in April and May when it has little of a comparable nature to challenge its supremacy. If you set bud bearing shrubs out now, you can enjoy the big show from the start.

California gardeners are often of the opinion that rhododendrons are for coastal climates only — that they thrive in the San Francisco Bay region and suffer from heat in the valley.

THIS THE California Association of Nurserymen can disprove by referring you to countless satisfied gardeners who have grown rhododendrons inland by giving them their favorite conditions.

In all climates, they love a loose, moist soil on the acid side. Work plenty of moist peat and leaf mold into the soil when planting and mulch with moist peat to conserve moisture after the rains end.

They stand nearly full sun in some coastal gardens, but they need shade overhead inland. Broken shade, as from a lattice is ideal. Moisture at the roots and on the foliage during warm weather is also ideal. With such care, they will respond with bloom as only a rhododendron can.

## Pruning Of Roses Tops This Week

Here is this week's gardener's checklist for the area:

If you haven't pruned your roses yet, they can be the first order of business this week.

Apply a weed killer—and crab grass control on lawns now, then follow it up with a feeding to get grass off to a good start.

Toss anti-slug and slug pellets around the garden. There's no easier way to get the critters.

Evergreen clematis (C. armandi) is in bloom now in many gardens. Start your own vines now for good growth this year, bloom next.

If you have in mind moving azaleas and camellias, now is the time to do it.

## Saving Money Topic Wins

"Saving Money" was the topic of the winning speech given by Bob Ballock at a recent meeting of the Diablo Toastmasters Club.

Bob O'Grady captured the remaining honors as best impromptu speaker and evaluator on the program.

To assist Keith Hudson, acting chairman, Bob James was table topics master and Nat Davis was toastmaster for the evening.

## THE BLACK KNIGHT AND THE MAGIC RECORD

Once upon a time there lived—in unbelievable safety—some 1,200 employees of a water district. By observing safety regulations, they piled up 1,680,502 man-hours without a single lost-time accident. Since this set a new national record, they were officially acclaimed as the safest water district in the U.S.A.!

The Black Knight? No, he's not a fairy tale character. He's just one of the 1,200 people responsible for setting this all-time magic record in water utility safety. (The secret's out—they're "East Bay MUD" employees.)

Incidentally, this outstanding safety record has meaning for you, too. It means that your water district receives substantial refunds in the premiums it pays for insurance. More than \$300,000 during the past ten years. Obviously, since you own "East Bay MUD," this saves you money.

Best of all, though, it means the safe and sound people at "East Bay MUD" will go on supplying you the finest water at the lowest cost in the Bay Area... happily ever after.

## On the Lighter Side!

By LIZ FOLLARD  
CL 4-5667

The Diablo Tuesday Morning Forum held the second of the spring series of programs Tuesday. These events are held at the Diablo Country Club, four in the spring and four in the fall.

A Coffee Hour at 10 a.m. is followed by the program at 10:30 Tuesday's speaker was Mr. Felix Greene, the distinguished British speaker and commentator, whose home is in Palo Alto.

He has just returned from an extended visit in the Orient, having visited many cities and the countryside in Red China. His lecture will be an eye witness account of current activity on the Chinese mainland. The public is most welcome to attend the talk about this controversial nation and tickets are available at the door of the Diablo Country Club.

The Diablo Tuesday Morning Forum is comprised of many well known and active local women. The Co-ordinator is Mrs. John Blemer of Diablo and Mrs. E. J. Malloy is the program chairman. On the Board of Directors are the Mesdames Robert Bartlett of Danville, Kendrick Morrish of Orinda, E. P. Sawyer & Ed Larmer of Lafayette, and A. F. Bray, Jr. of Martinez who will introduce the speaker on Tuesday.

### James Davies Wed Sunday

Wedding bells rang in the family of the President of the Orinda Orioles, a Unit of Mt. Diablo Therapy Center. The elder son of the Milton Davies of Tappan Lane, Orinda, was a bridegroom Sunday. The bride is Miss Judith Alison Anderson of Alameda, who wed James McLean Davies at 2 p.m.

The ceremony took place at the University Lutheran Chapel in Berkeley with a reception immediately following in the Lanai Room at the Claremont Hotel. A close friend of Judith's, Mari Elgorriaga, came from southern California to be the maid of honor, James' brother, Robert Davies will act as the best man.

The bride chose an ivory peau de soie full length gown with three quarter length sleeves, the gown is embroidered with Viennese lace. The rose patterned lace outlines the scoop neck line and is applied on the skirt. A shoulder length veil will be held in place at the back with one rose. The bouquet is of white roses.

The maid of honor wore petal pink chiffon organza, a simple pink veil and will carry an old fashioned bouquet of pink roses.

The bride's mother chose a Dior blue peau de soie gown and will have a corsage of white cymbidium orchids. Our Fran wore a soft beige gown of peau de soie and will carry a corsage of green and brown cymbidium orchids.

After a brief trip, the couple will leave for Seattle, their future home. James has just graduated from the University of California.

### Dickinsons Attend Dinner

Mr. & Mrs. Dwight Dickinson recently attended a dinner party in Hillsborough in honor of Wayne Hardin, the Navy football coach. The affair was given at the home of Mrs. Hardin's aunt and uncle, Dr. & Mrs. George Guido.

Twelve members of the Tanager Unit gathered recently at the home of Mrs. Dick Dildine for a pot luck luncheon. Each brought a favorite luncheon dish and from these various dishes, the members chose the menu for their March 17 bridge luncheon.

Mr. & Mrs. Paul C. Moore spent the 5, 6 and 7 of February in Reno, Nevada at the Mapes Hotel. The trip was sponsored by the Aahmes Shrine Club and the group traveled by Southern Pacific.

Twice a year the Tanagers have a Guest Night and in February the invited guests were Malfrid Creagmile, Doris Dorward, Cynthia Overmire, and Marcia Zacharias.

The Larry Dodges hosted a pre-coitillion cocktail party recently at their Walnut Creek home. A Valentine theme was used for the gay event. Among the 22 couples attending were the Wm. McGuire, Gerald Ball, John Farsons, Ferris Fains, Don Prievs and Sam Bradbards.

The Moraga Parents Club held a delightful luncheon at Carroll's Restaurant last week.

## Women in The Sun

### Simply Spring Dessert Tea To Be Sat. for P.H. Juniors

The Pleasant Hill Junior Women's Club will present their spring fashion show and dessert tea "Simply Spring," tomorrow at the Walnut Creek Women's Club house at Lincoln and Carmel Streets.

Twenty garments for women, young ladies and children, for every occasion a spring and summer can suggest, will be modeled.

A brilliant burst of sun shades opens the show, oranges, golds, sharp yellows, and red toned down with blues, greens and white.

Neutrals make news in the

second portion with bold grays and white striped cottons. A fresh new feeling of spring is captured in the concluding portion devoted to fruit and flowers.

Models will be Mesdames William T. Schrank, John Taylor, Ed La Sage, Gene Oddone, William Caulder, James Wimberley, Hallmeyer, Allen Fracas, Richard Galespie, James Spet, and Ray Neiman.

Mrs. Hoskins, club coordinator, will pour at the dessert tea and fashion show. Tickets may be obtained at the door.

### Jeanette Maddux Engaged To Peter Bleecker Dunckel

Jeanette Edith Maddux will be a June bride. The announcement of her engagement to Peter Bleecker Dunckel was made at a family dinner party February 14.

The bride elect is the daughter of Mrs. Quentin Reynolds of Walnut Creek, and the late Jackson Walker Maddux. She is a graduate of Katherine Delmar Burke School and the University of California where she was affiliated with Kappa Alpha Theta.

A fifth generation Californian, Jeanette is a great-granddaughter of the late Honorable Lafayette Jackson, Maddux of Stanislaus County. She returned recently from visiting Mr. and Mrs. W. B. Dunckel in New

York City and Mrs. Robert Gilkey in Washington.

The groom elect is the son of Mr. and Mrs. Wallis Bleecker Dunckel of New York City and West Redding, Connecticut. He graduated from Phillips Exeter Academy in 1949 and from Yale University with the class of 1953.

His social affiliations include the Bachelors of San Francisco and the Bachelors of Washington, D.C. of which he is a charter member. His grandparents were the late Honorable and Mrs. Howard Sutherland of Washington, D.C. and the late Dr. and Mrs. Walter A. Dunckel of New York City.

The couple plan to be married in June.

A JUNE WEDDING is in store for Jeanette Edith Maddux and Peter Bleecker Dunckel whose engagement was announced at a family dinner party last weekend. The bride elect is the daughter of Mrs. Quentin Reynolds and the late Jackson Walker Maddux. —Photo by Ted Gurney.

### Kappa Delta Alum Parties Aided Scholarship Fund

Five parties were held simultaneously last week for members and guests of Kappa Delta Alumna Association of Central Contra Costa County.

Mrs. Edgeworth Rorke of Concord was chairman of the function. According to Mrs. William H. Horne, publicity chairman, the annual affair was held in order to initiate a scholarship fund for members of Phi Chapter of Kappa Delta at the University of California.

Parties in the Concord area were held at the homes of Mesdames Norman Karvelis, Richard Peterson and Edgeworth Rorke.

Sharing hostess duties with Mrs. Karvelis were Mrs. Edwin Tallyn and Mrs. James Powell. Serving with Mrs. Peterson were Mrs. Jerry Smetzer and Mrs. George Empey. Mrs. Stanley Murdoch and Mrs. James Milliff assisted at the Rorke home.

The Lafayette home of Mrs. Jay Prouty, president of the

group, was the scene of another party. Assisting were Mrs. Donald McKenzie of Walnut Creek, Mrs. Charles Evans of Danville and Mrs. Douglas Johnson of Orinda.

The fifth party was in Pleasant Hill at the home of Mrs. George Ward. Co-hostesses will be Mrs. Horne and Mrs. Richard Newacheck, both of Pleasant Hill.

At the last business meeting members decorated Valentine boxes which were given to Shadelands School. Of special importance to all area Kappa Deltas is the change of their meeting date henceforth to be held on the first Tuesday of each month.

The next meeting will be on March 1 in Concord at the James Powell residence. Co-hostess will be Mrs. Wendell Bricker. Election of officers is on the agenda as well as discussion of the annual luncheon honoring graduating Kappa Deltas of Phi Chapter.

### Bonnie Dale Gardner Wed To James E. Caldwell

Mr. and Mrs. Howard Gardner of 37 Irving Lane have announced the marriage of their daughter Bonnie Dale to James Edward Caldwell in Reno last August.

Bonnie is a graduate of Miramonte High School where she was active in drama and dancing. She attended College of the

Pacific where she majored in drama and speech.

James, son of Mrs. Geldert Worth of 32 El Toynal, Orinda and William Caldwell of Yuba City, is a graduate of Acalanes High School. He is currently serving with the First Observer Battalion, U.S.A., in Germany.

### John Baker Herod To Lecture

Members of the Orinda Community Church Women's Guild will hear John Baker Herod of Pleasant Hill lecture at their monthly luncheon on March 1, according to program chairman, Mrs. Charles Nelson.

In October of last year, Herod left Pleasant Hill for South Africa and Rhodesia where he

spent two months visiting missions, studying them, and taking hundreds of pictures and tape recordings of nature songs and music.

Luncheon will be served at noon in the Fellowship Hall by members of Circle I. Guests are welcome and may make reservations by calling Mrs. Andrew Hartanov at CL 4-3357.

### Tea Honors New Members

Six area ladies were among those honored Wednesday at a tea given for new members of the Berkeley Clinic Auxiliary Junior Group.

Welcoming the new members were the past president and the new officers, Mrs. Middleton O'Brien of Orinda, president; Mrs. Daniel Bancroft of Lafayette, vice president; Mrs. John Rishrough of Lafayette, membership chairman.

The Junior Group centers activities about the Turnabout Shop in Berkeley. Funds earned are used for an orthopedic program conducted through the Berkeley Clinic, the only program of its kind in the Bay Area.

Local new members are the Mesdames J. F. Conley Jr., Michael Wood, and Anthony Biggs, all of Orinda; Lyle Deck and John Wiest of Lafayette, and Fred George of Walnut Creek.

NEW MEMBERS OF THE Berkeley Clinic Auxiliary Junior Group are greeted by Mrs. Middleton O'Brien of Orinda, president. Mrs. Joseph Conley and Mrs. Anthony Biggs, both of Orinda were among those honored at a tea for new members Wednesday. — Sun photo by Elwood Hansen.

### Pandora Chapter Dates Spring Luncheon

Pandora Chapter of Children's Home Society in Orinda has set March 7 as the date for their Spring luncheon to be held at Mike Lynn's in Orinda and aptly called "Lunch 'n Learn" since John Wheatman from Jackson's will speak following luncheon.

Mr. Wheatman's theme will be new ideas and colors for the home and will be built around three different types of homes, contemporary, traditional, and provincial.

He will show coordinated fabrics in keeping with the different types of decor and will also use china and interesting accessories to illustrate how color accents can improve a room.

Co-chairmen for the party are Mrs. Robert Hendrickson and Mrs. Jack Van Gelder; reservations, Mrs. James Barcelon and Mrs. Leland Nelson; decorations, Mrs. Rees Paine, Mrs. John Barchfield and Mrs. Lester Gease; prizes, Mrs. David Seabury and Mrs. Edward Hillyer.

Camellias will decorate the tables for luncheon and arrangements of spring flowers will complement the speaker's theme of colors used to accent the home.

### Midwinter Ball Is Tomorrow

The annual Mid-winter Ball sponsored by the East Bay District Councils and Institutes of the Young Ladies Institute and Young Men's Institute will be held tomorrow at the Orinda Country Club.

Dancing will be from 9:00 p.m. to 1:00 a.m. to the music of Gary Nottingham and his orchestra. Dress will be semi-formal and the public is invited.

David M. O'Connor is chairman of the dance committee, assisted by Miss Dolores Mackin.

# Meet Mrs. Joseph Rosenthal...

## Petite Lady From Holland Shares Her Talents Here

By JEAN JERNIGAN

Petite Mrs. Joseph Rosenthal of 6 Tappan Lane, Orinda, is a versatile lady whose varied talents were trained in Europe. Born in Amsterdam, Holland, she came to America four years ago with her husband, Dr. Joseph Rosenthal, whom she met in Holland when he was vacationing from his European assignment as an army doctor.

She said, with her appealing accent, "Whenever my husband wants to tease me he remarks that he knew he should have vacationed in Belgium as he originally planned!"

**PRIOR TO THE** marriage, Julie Rosenthal worked as a nurse and as a professional model. She traveled throughout Europe working for various designers, including the late Jacques Fath.

In this country she worked with her husband as a nurse for an exclusive girls' camp at Lake Winnepesaukee in New Hampshire. After the couple moved to California, Mrs. Rosenthal worked as a professional model, free lancing in San Francisco.

She said, "I think this country is a pretty nice place to be." Those who know Julie agree that her presence here contributes to making it so.

Last September's fashion show at the Dollar Ranch to benefit the John Muir Memorial Hospital fund was under the direction of Mrs. Rosenthal. Her latest achievement in producing a fashion show for Hadassah, presenting the "Sugar Plum" fashion show Monday, a matter involving 50 youngsters.

**SHE SAID,** "Both my husband and I have a lot of faith in children, they are the least difficult to work with." Mrs. Rosenthal needed her faith in preparing for the Sugar Plum event. She said, "The flu made it difficult, rehearsals were cut, appointments made and broken, but I depended on faith and a last moment final rehearsal."

The diplomacy and patience required in setting up a fashion show in addition to the long hours of hard work involving countless details, make behind-the-scenes activities a Herculean task. Those who witness the smooth flowing events full of glamour seldom realize the effort that is put forth to create the event.

**ATTRACTIVE** Mrs. Rosenthal is to be commended for giving freely of her time and talent to many of our volunteer associations.

Now expecting her second child, the tiny (size 8) dynamo from Holland is on leave from professional duties. At home she likes to cook, but said, "It is difficult when my husband tries to lose weight. We count calories at these times, but somehow I lose the weight and he gains!"

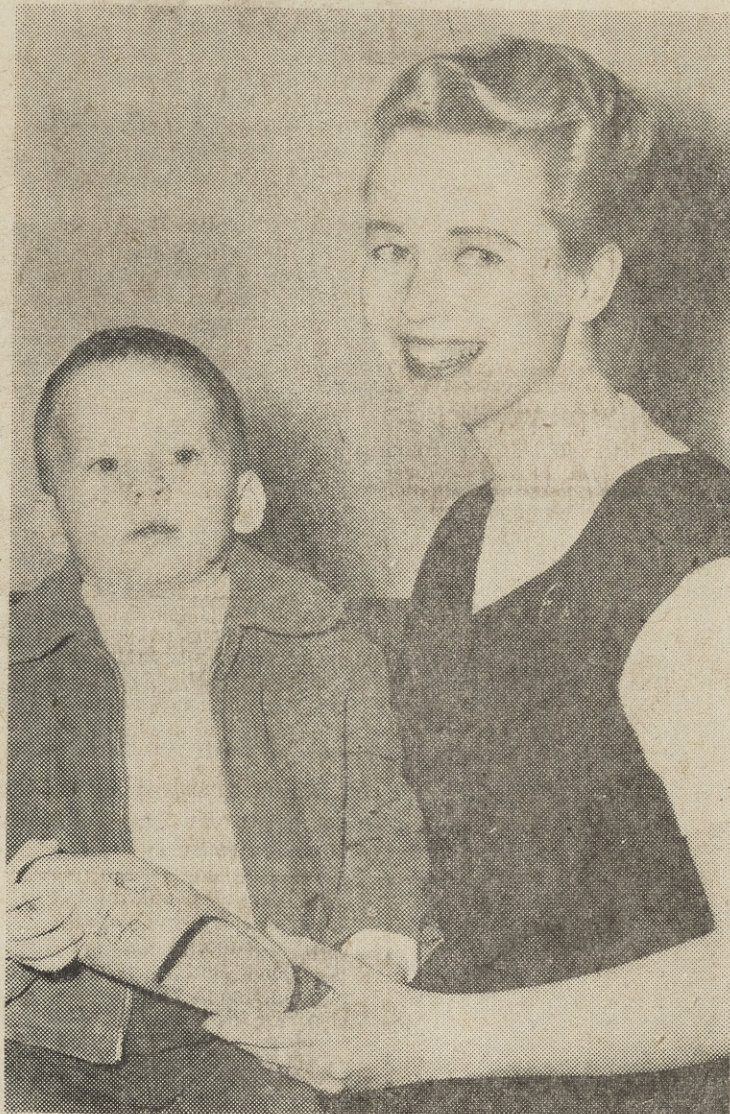

The Rosenthals like to barbecue during the warm weather, but in the colder months she said, "I like to experiment with European food and particularly with Chinese dishes."

Dr. Rosenthal is adept at ballroom dancing and has taught his wife his special techniques. As partners they think it would be fun to enter ballroom dancing contests.

**THEY ARE** partners too, in the Doctor's hobby of photography. She poses for him and frequently the result is a professional slide that can be sold.

Vacations are usually spent in hotels, for Mrs. Rosenthal said, "I like to go camping, but my husband had his fill of camp life while in the army."

Brutus Von Stera, a handsome large German shepherd guards the Rosenthal home, but is a patient playmate for two year old Alexander Rosenthal.

**PRETTY MRS. JOSEPH** Rosenthal of 6 Tappan Lane, Orinda shows her two year old son, Alexander, a wooden shoe from her native land. Mrs. Rosenthal, a professional model, has given her assistance to many a benefit fashion show in the area.

— Sun photo by Hansen.

## Christian Women's Club Luncheon Meet Wednesday

Victor Wetzel of Danville, a Bay Area department store manager who is active in Christian Business Men's committees and local service clubs, will be the guest speaker at the 12:30 luncheon of the Christian Women's Club, Contra Costa Branch, on Wednesday at the Concord Inn, Willow Pass Road.

Mrs. Charles D. Sholtz of Pleasant Hill, chairman, will introduce Mrs. David L. Sweetman of Concord, missionary project chairman.

Mrs. Sweetman will report on news from the rural mission fields supported jointly by the Christian Business and Professional Women's Councils and the Christian Women's Clubs of America.

The special feature of the luncheon will be a millinery show of spring and summer chapeaux narrated by Miss Della Sullivan, manager of Kahn's millinery department in Concord. Club members who

will be modeling under the direction of Mrs. Dale Hamann of Walnut Creek, program chairman, are the Mesdames Frank Dobbs, Harold Roderick, John Winchester, Dwight Crum and Lee McClary.

Mrs. Harmon Gardner of Walnut Creek will play several flute solos accompanied by Mrs. Robert King of Pleasant Hill. Others assisting in the program and arrangements are Mrs. Clifford B. Koenig and Mrs. Harry M. Fisher of Walnut Creek; Mrs. Hans Rodde of Alamo; Mrs. Walter W. Soroka of Lafayette; Mrs. Howard L. Stafford of Concord; and Mrs. Nita Hoxie and Mrs. Kenneth Aston of Pleasant Hill.

## Silver Anniversary Party Given for Gordon Frazells

The rose "Sterling Silver" themed the twenty-fifth wedding anniversary celebration for Mr. and Mrs. Gordon Frazell on Saturday, February 13, at their home on Valley Hill Drive.

A champagne reception was given by their two daughters, Joan and Susan. Joan is a senior at the University of California and Susan is a sophomore at Acalanes High School.

Cutting of a traditional wed-

ding cake climaxed the happy occasion. The Frazells were married in St. John's Episcopal Church, Oakland. Close friends who were invited to arrive at three o'clock were Messrs. and Mesdames Andrew Glimme, Stuart Smith, William Hawkins, Herbert Breckling, Kenneth Graundstadt, Lloyd Nelson, Victor Richt, Emerson Denham, Dyton Bonham, F. L. Reed, Mrs. Mary Platt, and Donna Reed.

## Lafayette Suburban Juniors Have Formal Initiation

The formal initiation of the Lafayette Suburban Junior Women's Club was held last week at the social meeting in the Lafayette School Auditorium.

Presiding at the ceremony were the following officers: Mrs. J. P. Van Overveen, president; Mrs. Gerald Hosking, vice president; Mrs. Charles Lendrum, corresponding secretary; Mrs. Charles Kennet, advisor. The new members are Mesdames Howard Nelson, Keith Thornton, Lawrence Winkler, Herbert Egli and Charles Lowell.

Entertainment for the evening included guest speaker Jeri Burnside, a Lafayette artist who displayed some of her paintings for the Penny Arts Program and Mrs. J. P. Overeen, who narrated her recent movies of an European trip.

Mrs. Edward Allen, district

vice president and a member of the Juniors, announced a recent change of the boundary restrictions in the membership bylaws. Any young woman between the ages of 18 to 35 in the Moraga and Orinda area may now become members of the Lafayette Juniors since there are no existing Junior Clubs in those cities.

Tickets are available for the spring social, a tasting tea, to be March 12 at Stanley School Auditorium, according to Mrs. Donald Bushnell and Mrs. Lester Johnson, general co-chairmen. The affair will have as its theme "Recipe Round-up," with western outdoor living decorations. The 20 dish menu will include salads and dessert made especially for outdoor entertaining this spring and summer. All proceeds from the tea will be donated to the Lafayette Community Center.

## Diablo Country Club Scene of Gala Holiday Weekend

New members of the Diablo Country Club will be honored at a dinner dance on February 21.

A "night in Venice" is the theme for the evening affair that starts the three day holiday. Mr. and Mrs. Frazer Howard, new entertainment chairman, head the committee planning the weekend events.

The golf tournament which will be a criss cross scotch mixed twosome with old members playing golf with the new members, will be directed by Mr. and Mrs. William Gurkins

and Mr. and Mrs. William Winslow.

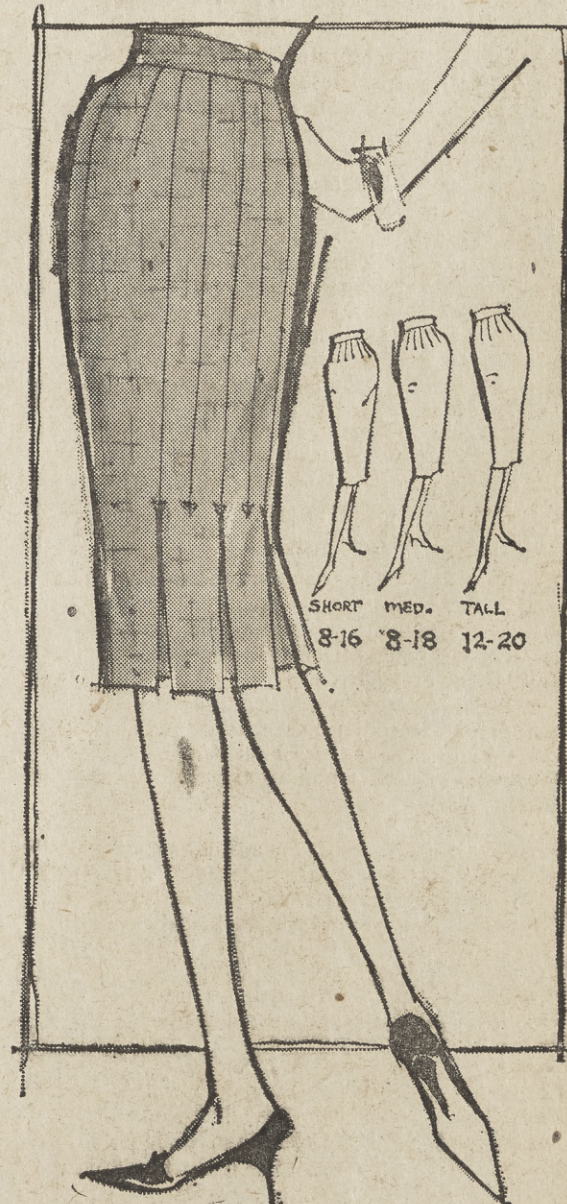

Among those who have already made reservations for the weekend are the Mesdames and Messrs. Spencer Archer, Frank Walkers of Orinda; John Enright, William Rigney, Fred Udall, Dewitt Kruger and James Bos of Walnut Creek; Lawrence Curtola, Robert W. Bell, William Hale Jr., Robert Armstrong, Bailey Justice, Dr. and Mrs. Gordon Van Nuy and Dr. and Mrs. William Helfrich, all of Diablo.

## Mills College Dance Group Presents Concert Thursday

A dance concert will be presented on Thursday at 8 p.m., in the auditorium of the Lafayette School by the Mills College Dance Group.

The public is invited; tickets are \$1 and are available at the door. This concert is being arranged by the Mt. Diablo Mills College Club as a community service as well as a fund raising event for the benefit of the Mills College alumnae fund.

Under the direction of Mills dance department chairman Eleanor Lauer, a group of top-ranking Mills dance students will perform their own original choreography works.

The works will depict some of the different styles of modern dance, among them primitive, archaic, Americana and satire. There will be solo, duo and group numbers.

Eleanor Lauer, Mills dance department chairman, has concentrated extensively throughout the United States. A former pupil of Martha Graham, she studied at Mills and at the Bennington School of the Dance in Vermont.

For four years she headed her own company of dancers in Illinois where she also taught at

## Alpha Chi Omega Hears Program On Speech Help

Mr. Walter Jackson of the Contra Costa Cerebral Palsy Society spoke to the Mt. Diablo Alumnae Club of Alpha Chi Omega last week. The meeting was held at the home of Mrs. Louis Fambirini on Hadden Road in Walnut Creek.

A member of the Board of Directors of the Cerebral Palsy Society, Mr. Jackson spoke on the Program of Speech Therapy and Speech Problem Evaluation. Alpha Chi Omega's national philanthropic project is Cerebral Palsy Children.

Co-hostess for the evening will be Mrs. Richard Hutton of Walnut Creek.

## Engagement Told At Family Dinner

At a small family dinner held recently, Dr. and Mrs. Rodrick Thompson of Honeyhill Road, Orinda, announced the engagement of their daughter Patricia Owens to Robert Donald Orland.

The betrothal of "Patty and Bob" inscribed on a Valentine cake, was formally announced at a Valentine-themed dinner party at which the parents of the benedict-elect, the senior Leo F. Orlands of Miner Road, Orinda were present.

Patricia is a Miramonte graduate, currently employed at Kaiser Hospital in Oakland. She has one brother Thomas, a student at Shasta College.

Robert is a Berkeley High graduate, currently employed by the Moraga Fire District. He has a young sister Mary Jean and four brothers, Leo Junior, Dan, Bill and John.

A spring wedding is planned.

the Actors' company School of the Drama in Chicago and made frequent television appearance.

Assisting in arrangements for the concert are Mesdames Ned Conner, Harold Butzbach and Gordon Amrein of Walnut Creek; Scott Ramsden of Orinda; Hugh McJunkin of Concord; William Hobbs and John MacKenzie of Lafayette; Lloyd Douglas of Alamo; Neil Anderson and Homer Carney of Danville; Blaker Herod of Pleasant Hill.

## Virginia Stanton to Lecture For W.C. Garden Club

The Walnut Creek Garden Club will present Mrs. Virginia Stanton who will discuss "Entertaining With a Flair" at the annual luncheon at the Concord Inn on March 9 to 1 p.m.

Mrs. Stanton was party editor for House Beautiful for 10 years and has done hundreds of table settings for color photographs including photographs for several of House Beautiful's covers.

She was a consultant on the decoration of the Bob Hope residence and has been consultant to large restaurants and commercial firms that sell things for the table.

During a lecture Mrs. Stanton will make four or five table arrangements in an hour. She gives ideas as she works on how to use various glasses, plates and bowls.

Last year Mrs. Stanton went to Japan with the House Beautiful team to study Japanese food and cooking methods.

Conscious of the use of color in food, Mrs. Stanton seeks new and unusual backgrounds, both in chinaware and in coverings for the tables. Not only does she grow flowers to match various color schemes for her table, but she also buys dresses to match or be in color harmony with her table settings.

**ENTERTAINING WITH a flair** will be the topic discussed by Virginia Stanton at the Walnut Creek Garden Club luncheon March 9 at the Concord Inn. Pictured from left are Mesdames Robert Sergerdell, Julian Ramelli and Delbert Anderson, members of the luncheon committee.

**GLEASON**—A son was born to Mr. and Mrs. Charles Gleason of 16 Blade Way, Walnut Creek, February 10 in Concord Community Hospital.

## Home Remodeling Ideas

BY JOHN PEARSON

### Shelf Hardware

Adjustable shelf hardware is available that makes attaching shelves to an existing wall a matter of screwing several screws into the wall. Known as "K-V" hardware, standards are available in 3", 4", and 6" lengths. After fastening these standards to the wall, brackets are fitted into the standards at desired intervals, thus making the shelves completely adjustable. Brackets are made in sizes 6", 8", 10", and 12". The hardware is available in either Satin Aluminum or Satin Brass. Shelf material can be either Knotty Pine, Redwood, Fir, or Hardwood. Hardware to install three shelves, 5' long, and 12" wide would cost \$5.20. Knotty Pine shelving would add another \$2.25. The hardware is available at Pearson Lumber Co., Hookston Road, in Pleasant Hill. YE 5-5621.

### Prefinished Paneling

New patterns in prefinished paneling have recently been announced by the manufacturer. This paneling is completely prefinished in either Ranch Knotty Pine or Sablewood. The paneling comes in 4' x 8' sheets and is attached directly to studs with colored nails. After installation there is no further taping, texturing, or painting necessary, since it is finished with three coats of lacquer. In cutting around doors and windows the board can be scored with a knife and easily and cleanly broken. Ranch Pine and Sablewood are especially adaptable to open garage walls, when remodeling into playrooms or rumpus rooms. A most satisfactory job can be done with a minimum of effort and money. To close in the walls of the average double garage would cost approximately \$51.00. For further information contact Pearson Lumber Co., Hookston Road, Pleasant Hill. YE 5-5621.

## Concert Will Help Music Student

A music student at Diablo Valley College will receive a scholarship from the proceeds of the concert to be given March 5 by the Music Teachers' Association. Teachers of instrument and voice in this area will perform in Stanley School, Lafayette, presenting a program of music for piano, harp, voice, violin and ensemble.

Artists donating their talents for the program will include Edith Marshall, harp; Rosalyn Polycove, piano; and Clara Floyd, voice.

Evangeline Hannold, violinist, will join Mrs. Polycove and Mrs. Floyd in ensemble work. Refreshments will be served at a reception after the concert.

Chairman of the MTA benefit concert is Mrs. Floyd. Assisting her are Madeline Caruso, tickets and programs; Marianne Eastman and Polly Grover, publicity; Dick Lotter, stage and lighting; Jo Shoptaugh, ushers; and Phyllis Bryant, refreshments.

Tickets for the concert, said MTA president Itala Gambino, are available through Reilly's Music Store, Walnut Creek, or any member of MTA. The contribution is \$1 for adults and 50 cents for children.

BEAUTIFUL MUSIC awaits those who attend the benefit concert, March 5, at Stanley School, sponsored by the Contra Costa Music Teachers' Association. Left to right: Rosalyn Polycove, pianist; Doris Marliave, pianist; Clara Floyd, vocalist; Edith Marshall, harpist.

## Alphabet Is Subject

A 60 minute color film "The Alphabet Conspiracy" and a discussion on the possibility of a Contra Costa chapter will be on the agenda of the local General Semantics Group today at 7:30 p.m. at the Cooperative Center meeting room, 1510 Geary Road, Walnut Creek.

The film is a scientific explanation of languages, sound, and word usage done through a fantasy story based on "Alice in Wonderland." Dr. Frank Baxter starts as the scientific linguist, and Hans Conreid as the Mad Hatter.

Tomorrow at 2 p.m. a special children's showing of the film also will be held in the Coop meeting room.

A SECOND film featuring the famed pianist Josef Hofman will also be shown at the afternoon performance.

The film entitled "The Telephone Hour" is excellent for students and music lovers.

Both films were produced for the Pacific Telephone Company, and performances are free and open to the public.

LEADERS of the San Francisco General Semantics Chapter will attend the Friday evening session to discuss details involved in planning an area-wide chapter. A social time will be held from 7:30 to 8 p.m.

A family weekend seminar is planned for March 25, 26 and 27. Discussions will include fundamentals of general semantics; love and hate; pride and vanity; self-deception and deception; tools and methods of discovering the real self, and so on.

Further information and details will be announced soon. Interested persons are asked to contact Mrs. Estelle Girande or Mrs. William Fearey.

## Real Estate Viewpoint . . .

### Believe Me, It's Not A Pushover . . . Just Try It!

By BILL HAYWARD

FOR THE BENEFIT OF THE PUBLIC . . . as well as those in the Real Estate Business . . . here is a recap on the number of Real Estate Licenses that are in effect in the state of California as of January 1. . . . There are 97,000 active real estate licenses issued to brokers and salesmen, corporations, partnerships, oil and gas agents and a few cemetery plot salesmen and brokers.

It's no wonder that it takes a professional realtor and his hustling associates to remain in this highly competitive industry today. If you figure the population of the great state of California from the standpoint of all being home buyers . . . that leaves a scant 150 prospects for each salesman to work on as clients.

This may sound startling . . . however, if you wish to read statistics, this is pretty close to fact. . . . NOW . . . my question to the average man or woman in the real estate selling business . . . "ARE YOU GETTING YOUR SHARE?" . . . Do you really and actually have 150 clients that you sold or do you have a plan to make friends with 150 buyers in the next few years.

I will admit that over 1000 new faces per day cross the California border westward bound . . . from Oregon, Nevada, Arizona, even Mexico . . . to look around, maybe rent, maybe buy, sponge on a relative, buy a business, start a new business . . . or you name it.

However our Real Estate Licensing division is issuing licenses to sell real estate faster in comparison to the actual population increase. . . . Today with all the construction activity . . . abundance of money for building plus the wonderful weather in California real estate looks to the average outsider like a most attractive and cinch way to make a living.

Well, Buddy . . . let me tip you off . . . gently, that is . . . Don't pick real estate as a pushover setup . . . actually the folks that are in the trade would like to attract new blood into the business . . . young fellows with a purpose in life . . . with a goal in mind . . . a guy that wants to be a success.

We are now in the process of selecting a new man to take a position in our office here in Walnut Creek. When he is selected he will be at the bottom of the real estate ladder, yet with our State Educational Program as it is he can be sure, if he is willing to really work and try, serve his customers and put in the hours that this busy industry demands . . . to be EARNING . . . the income of a successful real estate salesman come the year 1962 . . . from then on it is up to the man to set his own goals . . . the sky is the limit.

FOR THE MAN IN THE BUSINESS . . . there are many educational programs available to you today. . . . The University of California has a very complete Real Estate Program . . . All facets of the business are covered . . . and believe me education in this business is a must.

THIS MAY NOT MEAN A LOT TO THE AVERAGE REALTOR . . . in Contra Costa County . . . however, here is the story . . . World War II veterans are now in the last year in which they may apply for a GI home loan. This was announced by the Veterans Administration recently with the cutoff date of July 25, 1960 being set by present legislation. This GI BILL has made it possible for over 5 million veterans to own a home of their own. . . . If you intend to use your GI eligibility, make your home loan application before July 25 of this year . . . the VA program includes an additional year for processing and closing of loans.

## Improvements Made at Scouts Camp

New gate posts and an overhead beam have been installed at Camp Hampton through cooperation of Sea Bees under Commander Paul Dreyer, and American Forest Products Company, according to Joseph De Maria, Meridian District chairman of Mt. Diablo Boy Scout Council.

Preparation is under way for greatly increased use of the camp area as the weather improves.

CAMP HAMPTON is under lease to Mt. Diablo Council from Contra Costa County and is being further developed as a camp spot for overnight hikes and short term troop camps.

During 1959 Camp Hampton was used by 466 Scouts and 100 leaders on one-day hikes, by 8663 boys and 142 leaders on overnight hikes and by 138 boys and 25 leaders who camped from three to five days.

These Scouts came from all over the council area. Last year, for example, 116 boys and leaders were from Berkeley-Albany, 15 from the El Cerrito-Kensington area, 204 from Concord, 40 from the Delta area, 201 from Pleasant Hill and Martinez, 457 from Meridian District—Orinda, Lafayette, Walnut Creek and Danville, and 573 from the San Pablo Bay district.

TRAFFIC DEATHS  
California traffic accidents took the lives of 3588 persons during 1959, reports the National Automobile Club. That was an increase of 78 over 1958.

## Audubons to Hear Talk by Ferd Ruth

A meeting of the Mt. Diablo Audubon Society will be held next Thursday in room 201, Las Lomas High School.

Ferd Ruth, society president and natural science instructor at Diablo Valley College, will speak on the Pacific Northwest, Oregon, Washington, north to British Columbia. He will illustrate his talk with pictures.

On March 6 the society will make a field trip to the Water Temple (just east of Sunol) and the Calaveras Dam area. The meeting at the temple will be at 9:45 a.m.

The temple is about 25 miles from Walnut Creek on Highway 21.

## Vikings on Stamps Was Club's Talk

Harry McAndrews of the East Bay Collectors Club spoke on "Vikings on Stamps" February 25 during a meeting of the Diablo Valley Stamp Club.

Club members will hold a long trading session on March 10, and a guest speaker is planned for the March 24 meeting.

Last night, they held an auction and general swap session.

The meetings are held on the second and fourth Thursdays at 8 p.m. in the Pleasant Hill Recreation Center, Oak Park and Pleasant Hill Roads.

# EASIER TO OPEN

Foremost opens with *any* kind of opener: wall types, key-wind types—even hook types! You get large-sized, easy-to-pour openings—quickly and easily, without struggling with dangerous ice picks. And, if you want to use the whole can, you can pour it out quickly. Save your time. Save your temper. Always get Foremost Evaporated Milk.

## FRESHER TASTING, TOO

Foremost tastes fresher than any other evaporated milk because it's processed for only *seconds*—10 times faster than any other brand! No more of that over-cooked taste, that yellowish over-cooked color . . . not when you use Foremost. Try it. Test it in coffee, in cooking. You'll find its delicate flavor *really* does taste fresher.

### FREE RECIPES

Tasting is believing. Try Foremost in cakes, in casseroles, in custards. For your free recipes, write to Foremost Dairies, Inc., P.O. Box 2444, San Francisco 26, California.

### Soss Opple Predicts Tie In Cage Race; No Playoff

By SOSS OPPLER  
Soss Opple predicts that the Foothill Division will wind up in a tie again in the basketball race in the varsity division.

Last year it was a three-way tie between Acalanes, Las Lomas, and Miramonte. This year it looks as a two-way draw between Acalanes and Las Lomas.

HE ALSO predicts there will be no playoff. Last year there was, much to the surprise of everyone, as the Tournament of Champions requested it in order to select a team.

This year both teams will be going to tournaments, with Acalanes going to the Acker meet in Chico, while the Knights try their luck in the Tracy invitational.

"Soss Opple doesn't have to be a seer to predict that more contestants than ever will be taking part in prep sports the next two months. Spring weather brings a large assortment of activity, with track, baseball, tennis, golf and swimming vying for the spotlight.

SOME OF THE biggest competition of the year takes place in the race to get a hot shower,

with 150 to 200 competing in each school after practice sessions.

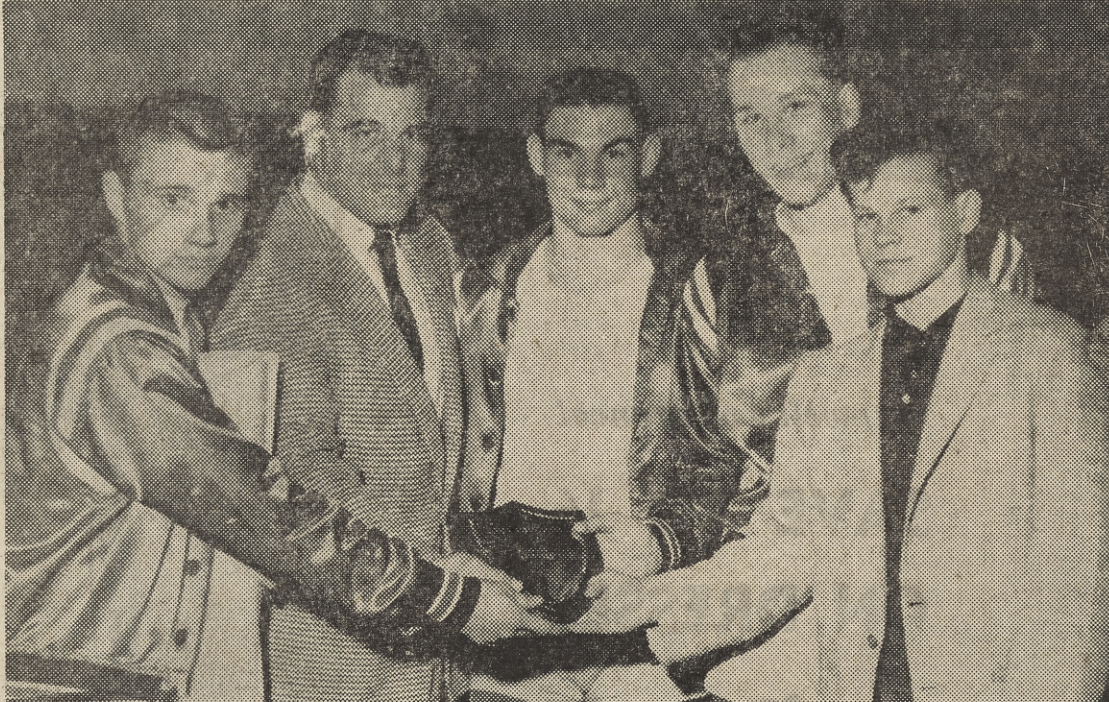

Soss Opple predicted a close race in varsity and bee basketball and that's the way it has been. Miramonte has sewn up the bee title, thanks to some fine come-through performances on their part, but it took next to the final week to decide it, while the varsity issue won't be settled until after tonight's games.

Incidentally, this marks the last Foothill Division season, as next year it becomes the Foothill League as a separate entity.

I ALSO PREDICT that the San Francisco Giants will have their problems—not only in winning games, but in getting the traffic in and out of the stadium.

The Giants look to have improved themselves through some good trading maneuvering, but the problem lies in the fact that the other clubs have done likewise, so it becomes a problem of keeping pace rather than going ahead.

Tab the Giants to end in the top three, but get odds if you are placing them at the top.

THE PLEASANT HILL wrestling champs face the toughest competition at the state meet tomorrow. Shown receiving their North Coast winning plaque Saturday are, left to right, Doug Euranius, 127 champ; Coach George Galli; Tom Foster, 165 champ; George Bruns, 175; and Lennie Colwell, third in the 112.

### Pleasant Hill Quartet Favored at Cal Tomorrow

The Pleasant Hill Rams are Jim Hunt (Santa Cruz), Eddie Harris (Pittsburg).

133 — Spencer Tamoto (Camden), Sam Huerta (Hayward), Keith Thraikill (Miramonte), Fred Crawford (San Mateo).

138 — Tony Benites (San Lorenzo), Larry Wilborn (Castro Valley), Steve Caranza (Lincoln of San Jose), John Wahnoutka (James Lick).

145 — Dennis O'Connell (Castro Valley), Dave Sherbourne (San Lorenzo), Steve Small (Los Gatos), Rock Hansen (Palo Alto).

154 — Art Regalado (Fremont of Sunnyvale), Harry Kimura (Andrew Hill of San Jose), Amador Hernandez (Gilroy), George Souza (Mt. Diablo).

165 — Tom Foster (Pleasant Hill), Jim Graham (Washington of Fremont), Don Hill (Camden), Dave Parker (Hollister).

175 — George Bruns (Pleasant Hill), Sven Holm (San Mateo), Mike Topham (Menlo Atherton), Ron Ruscigno (Del Mar).

191 — Don Anderson (North Salinas), Don Mecham (Camden), Lynn Raymond (Capuchino), Ken Roskofsky (Tennyson).

Heavyweight—Denny Toll (Acalanes), Ray Leon (Del Mar), Russ Banducci (Menlo Atherton), John Rogers (Santa Cruz).

### Clothing Is Half Price at Thrift Shop

All clothing at the Therapy Thrift Shop located at 1547 Locust Street, Walnut Creek will be half price this weekend.

This clearance sale will make room for Spring Merchandise according to the monthly chairman, Mrs. E. Larmer and Mrs. J. Wolverson.

Linnet Auxiliary including Linnet Juniors conduct this project for the benefit of Mt. Diablo Therapy Center.

Volunteers today are Mrs. W. L. Denaull, chairman, Mrs. Charles Strother and Mrs. Paul Lawrence.

The Junior Linnets will serve tomorrow from 10 a.m. until 2 p.m. Mrs. Thomas Spellman and Mrs. Gale Harris will assist Mrs. Paul Cortese.

On Thursdays and Fridays the shop is open from 10 a.m. to 4 p.m.

### Defending Dons Have Competition In Diamond Race

In the Foothill Division of the Acalanes Dons are defending baseball champions and, on the basis of the dope sheet to date, they will have their hands full if they are to retain their title.

The circuit looks to be well balanced with all clubs having a good nucleus of veteran hands.

The Dons have eight lettermen on hand and will have strength in the pitching and catching departments with Lon Cosso, all league receiver last season, ready for his Senior year of play.

ON THE MOUND the Dons have a pair of lettermen in Tom Strain and Denny Toll, both of whom can do double duty in either the outfield or at first base. Both are Juniors.

Senior Lon Pejovich is at third base, while sophomore Bob Gillham makes the move from centerfield to shortstop. Senior Don Nelson, a two-year veteran, is at second base, while senior Jim Holden is back in the outfield and southpaw senior Gary Brekke is at first. That rounds out the returning lettermen.

At present 30 candidates are on hand with another ten expected when basketball winds up.

JOHN PAUL JONES, a sophomore transfer from Pleasant Hill, looks to be a likely varsity candidate, as he is a southpaw pitcher and a capable first baseman and rates well with the stick.

Coach Duane Louis of Las Lomas reports a turnout between 65 and 70, but has problems as his field is torn up while an automatic watering system is being installed.

The Knights were runners-up to the Dons last year, and while they were hit heavy by graduation, they begin to be strong again with but three senior lettermen returning. The three are first baseman Eric Nankivell, second baseman Bob Samuels, and an all-league player in Bob Morris at shortstop.

Catcher Harold Stephenson and pitcher Bill Remy, up from the Jay Vees, are expected to give front line strength.

MIRAMONTE, WITH coach Don Foster in his second year at the helm, has what appears to be a well-balanced club with ten returning lettermen, and rates as top contender.

The Mats open at home next Tuesday with the Pleasant Hill Rams furnishing the opposition, and chances are that coach Foster will choose his starters from among the following lettermen:

Catcher Bob Welch (junior), pitcher Bruce Hancock (senior), pitcher Jim Tonascia (junior), first baseman Jack Gilbert (junior), third baseman Brad Peters (senior), second baseman Bub Connolly (senior), and outfielders Virgil Clarke (junior), Pete Yedida (junior), Mario Albo (junior) and John Walker (junior).

At the present Miramonte has 30 out with more to come as basketball ends tonight.

PEDMONT IN THEIR second year of baseball return with a veteran club in practically every position, and hope to come up with a few upsets under their new coach Jim Tonascia.

The Highlanders have thirty-five candidates, which means a lot of competition for spots, as Piedmont fields only a varsity nine due to limited facilities.

The Piedmont team hasn't started practice as yet, but expect to get under way next week with their first practice tilt slated for late March.

PLAYERS ON HAND from last year's club are catcher Tom Rawley, pitcher Dave Shaw, and Bill Clayton, first baseman George Conn, second baseman Craig Coakley, third baseman Ken White, and outfielders Denny Mulloy and Bub Jones. Clayton is also slated for outfield duty while Shaw will double as a shortstop when not pitching.

Over San Ramon High way, coach Mike O'Gorman is optimistic over his 40-player turnout which includes five returning lettermen and a pair of promising transfers.

PLEASANT HILL HIGH plays in the Contra Costa Division, and while coach Lyle Palmer has 70 candidates, he has his work cut out as he has but four returning lettermen.

### Cage Standings All Tied As Dons Top Knight Five

The Acalanes varsity basketball team was forced to come from behind in its game with the Las Lomas Knights as the Dons trailed, 22-19, at the half, but they threw up a stout defense and scored 24 points to the Walnut Creek club's 15 to notch the 43-38 win.

The victory threw the two clubs into a tie for the top spot, with but one week of play to go.

THE GAME, PLAYED at the Del Valle gym last Friday before a packed house, found the fans in a frenzy a good part

of the time as the clubs produced some of the season's best ball.

Lomas took an 11-8 first quarter lead and made it 22-19 at the half as the teams traded bucket for bucket with 11 points apiece in the fast-moving second period.

The Dons made it an even-steven 29-29 at the end of the third quarter as they outscored the Knights, 10-7.

In the final period, Acalanes went out in front with a flurry of buckets to take a 39-29 lead, and the Knights were never able to overcome the lead although they got six points in the final two minutes to close the gap.

THE DONS' MEL SIMPSON, playing at his best, was a thorn in the Knights' side as he hit for 17 points while taking over the backboards in the second half after the Knights had controlled them in the first half.

In rebounds, the Dons held a 24-21 edge, while Paul Colin aided the winning cause with 10 points.

Tom Nichols paced the Knights' scoring with 11 points, while Bob Nichols and Bob Nye each had eight.

ACALANES HIT ON 18 of 39 floor shots, while the Knights capitalized on 14 for 38. In the free throw department, the Dons had seven for 14 and the Knights 11 for 16.

The Bee game preliminary found the Don littlelmen throwing the game into an overtime, with a last second bucket, and then the Lomas five coming back with a final second toss of their own in the overtime to notch a 45-44 win.

### Orinda Women in 9-Hole Eclectic

Here are the results of the ladies' day nine-hole eclectic, at the Orinda Country Club this week:

First flight:  
Mrs. Hermine Small, 37-5-32.  
Mrs. Clint Eastwood, 43-9-34.

Second flight:  
Mrs. Conrad Shafft, 45-12-32.  
Mrs. Alex Konkin, 50-15-35.

### WINTER OLYMPICS

The first Olympic Winter Games of modern times, were held in 1924, in France, reports the California State Automobile Association.

### Sideline Slants

### Football Season's Near or Far; Depends on Where You're Sitting

By ERWIN MATTSOON

It's a long way or short way to football season, depending on how you look at it. It's mighty short from the Oakland pros and it's not too far away for the local Pop Warner entry known as the Thunderbirds.

The Pop Warner group, with Coach Pete Villa as chairman, holds a board of directors meeting and dinner at the Casa Orinda on Thursday, March 10. The event starts at 7:30 p.m.

The Thunderbirds in their first year of play have lots of work ahead of them before the season opens in early fall. Tryouts, equipment, team organization and publicity take little space to write about, but hours on end of work to get done.

Piedmont plays only varsity baseball, but look for them to come up with a junior varsity before long. They have little league going strong, and turnout of 35 this year indicates interest.

The Piedmont nine has a new coach in Jim Tonascia. Miramonte has a pitcher by the same name, which follows because he is the son of the Piedmont coach. It could be an interesting game and an added interest angle with son pitching against his father's team. It will certainly make interesting dinner conversation in the Tonascia home.

★ ★ ★  
Congratulations are certainly in order for the Pleasant Hill wrestling team and their coach, George Galli. The Ram grappler won their division, the county and the north coast, and are now headed into the State with born wrestlers.

Earlier, the Rams won the Bay Area Invitational held at Hayward. They rose to the heights and produced their best when the chips were down.

It was interesting to note that the Diablo Valley Athletic League won five out of the 12 weight championship, which is very good in view of the fact that the local area is relatively new in the sport, having taken part for the most part for four years.

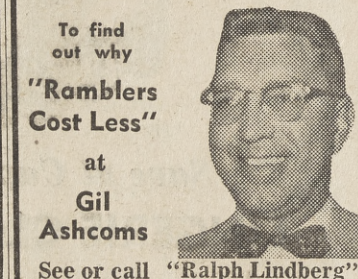

Pacific, the first in the mat game in the D.V.A.L., has competed for six years, while in Hayward and San Jose have had 15 to 20 years of experience behind them. This means a great deal not only from tradition, but plus the fact older brothers often get the younger ones started. In fact, several on Hayward's team have older brothers who were champions in their own right on a north coast and state level.

★ ★ ★  
Las Lomas has dominated swimming, but look for them to get some top competition from here on in from Miramonte. Miramonte's new pool is a dandy and they are rich in potential, so watch the water sport grow in both quantity and strength at the Orinda school.

### TROUT PLANTED BY PLANE

The California Department of Fish and Game used a twin-engine airplane to plant 6,540,927 trout in 1959, reports the National Automobile Club. That was about a million more than were planted in 1958.

### Skiing in The Sun...

## Weather Blesses Olympics

By KEN FREDRICKS

Skiing is at its best in the High Sierra this week. Everything seems to be going the way of the winter fans. Snow, snow and more snow has blanketed the mountains, the days are sunny and clear, and the evenings are down around zero.

When you take that evening stroll, the snow crunches beneath your feet in a way only snow can do.

BUT I SUPPOSE the most important thing is that a certain

spot up in the mountains between Lake Tahoe and Donner Summit has become the most talked about place in the world. And no wonder.

Ever since opening day when a blizzard cleared off for one hour to let Walt Disney put on the greatest, most moving outdoor spectacular ever presented in our state, the Olympics have been blessed with perfect weather, lots of spectators, good competition and, above all, a feeling of peace among the world's athletes. Olympic Village has been the secret for the success of the games.

In one small area 800 of the world's greatest athletes, and right now ambassadors of good will, are eating, sleeping and being entertained under one roof.

Upon entering the athletes' dining center, one has a feeling of peace and quiet. In all parts of the beautiful modern building, constructed just for this purpose, are groups of skaters, skiers and jumpers discussing the events of the day.

SKI Rentals and Sales  
SKI SALE SPECIAL OF THE WEEK  
SKI PANTS Starting at 5<sup>95</sup>  
SPORTS & GAMES  
1604 Locust  
Walnut Creek—YE 5-1017

Some disappointed, some happy, some nervous, but all are relaxed.

Outside the center, are still some spectators wandering around looking for their cars or buses or for their separated members of their party. Most of them are tired, but above all they are all impressed with what they have seen.

If you have or plan to visit the Olympics you might be surprised at the skiing still available for the public in the valley. Now that the men's downhill is over, Squaw Peak and the new north pole lift should offer some excellent skiing from now until May. But don't try to take the courses that the racers took because they have a certain way of making it look very easy. Some have tried, but most of us have either been disappointed or injured.

JOINING the regular staff at Dodge Ridge on the ski patrol is Gary Gebhard. His co-workers are Earl Hitch, Mike Simmons and Winkie Epps. These guys do a terrific job keeping order on the slopes. Don't be afraid to ask them any questions, as they will be more than happy to answer them.

All main roads into the mountains are open and clear with snow depths ranging from 50 to 122 inches. All areas report cold evening temperatures and all the slopes are packed.

# Round Hill Course Nears Completion

## New 18-Hole Facility May Open in September

By DIVOT DIGGER

Central county golf enthusiasts are in the midst of a rare experience—the opportunity to witness, first-hand, the construction of a championship 18-hole golf course from the ground up.

The opportunity is presented by the continuing progress of the new Round Hill Country Club, nearing completion on Alamo land which until last September was exclusively ranch properties.

Part of a 410-acre, \$20 million development spearheaded by Danville realtor and developer Harlan S. Geldermann, the course is located a mile and a half east of Alamo on Stone Valley Road.

A NUMBER of spacious, view home sites, with all utilities installed underground, is also included in the picturesque San Ramon Valley development. Geldermann has been planning the project for the last three years.

The course itself is a par 72, 6570-yard facility which, it is said, will compare with the finest and most modern golfing areas in the country. It is studied with oak trees to provide a natural scenic environment with a minimum of landscaping.

Round Hill has had the benefit of top names in the golf course designing field. Lawrence Hughes designed the course, while William F. Cody is the designer of the clubhouse and the remaining country club features.

HUGHES IS THE architect responsible for design of such courses as Thunderbird and Eldorado in the Palm Springs area, Paradise Valley in Phoenix and the Desert Inn in Las Vegas.

Cody created the buildings and facilities at such country clubs as Thunderbird, Eldorado, Tamarick, DeAnza and Palo Alto Hills.

Ray Cook, resident manager of the new club, has wide experience in country club management, including a term as manager of Sequoyah Country Club.

The pro at the course is Norman Tauscher, formerly with the Diablo Country Club and a well-known golfer in the area.

HUGHES SAID several of the 18 holes are "distinctively individual in character. When the course is completed, it will lend itself to championship tournaments, and yet will not be too difficult for high handicap players. Moreover, the terrain is conducive to the use of carts for those who wish to take it easy."

Construction of the course has been under way since last September and now is practically complete. The irrigation system is installed, the greens and tees are already contoured and seeding will begin within the next two weeks.

John Sparrow, prominent Danville manufacturer and financier and president of the club, said the course is expected to be ready for play by late August or early September.

HEART OF THE club's irrigation system is a six million gallon, man-made lake, which also serves as a difficult water hazard on the 12th hole. The 12th is a

### Rams Five Loses Pair To Antioch

The Pleasant Hill Rams dropped a pair of games to the Antioch Panthers last Tuesday afternoon as the Bees went down, 35-29, and then the varsity lost a heartbreaker in overtime.

Antioch jumped to a 11-0 first quarter lead only to have the Rams jump eighteen points through the hoop to take a 27-21 halftime lead.

THE RAMS appeared to be on their way as they made it 40-30 at the end of the third quarter, but when they came up with but four points in the home stretch while Antioch hit for a big 14, it knotted the count at 44 all.

In the overtime it looked to be another tie when with but two seconds on the clock the count stood at 48 all, but Antioch's Charley Creevy changed all that when he let loose on a 35 foot two hand push shot that hit and made it 50-48 as the buzzer sounded.

Ironically for the Rams, Creevy had but four points for the game but he hit the big two when it counted the most.

ANTIOCH'S Mike Toner hit for 21 points and Rick Fontana for 17 while the Rams' top scorers were Ron Yamamoto with 18 and Dick Doyle with 12.

The Rams had a 44-41 advantage in rebounds and hit on 18x55 field goals to Antioch's 19x62 in the free shooting game.

Antioch connected on 7x9 free throws to 12x20 for Pleasant Hill.

### Mat Quint Edges Clan; Title to B's

The Miramonte varsity basketball team wound up with a 54-52 win over the Piedmont Clan last Tuesday afternoon after their Bees had sewn up the Bee championship with a 38-25 win.

Miramonte's Bees were ahead, 13-10, at the half and their Doug Scarff headed the scoring with 18 points.

IN THE VARSITY go the Matadors took a 11-7 first quarter lead, and made it a 25-18 halftime advantage.

Piedmont closed the gap when they outscored the Orinda five 13-15 in the third quarter and 16-14 in the final canto, but it was too little and too late as time ran out.

The Mats big center Jack Gilbert took individual scoring honors with 21 points while Milt Harve was the winners' next high scorer with 14.

DAVE SHAW WITH 18 and Bill Clayton with 16 topped the Clan.

Miramonte hit for a good 40 per cent from the floor with 21x33, but Piedmont High hit even higher with 48 per cent with 20x42.

Miramonte pretty well controlled the boards as they gathered in the rebounds to the losers 16 and as things turned out, it was pretty much the deciding factor.

More than 50 per cent of American families take vacation trips each year, reports the California State Automobile Association.

### Pictures Fail To Give Full Course Concept

Although a picture is worth 10,000 words, it still fails to capture the picturesque beauty of the Round Hill Country Club and the proposed coordinated development which will surround the championship 18-hole course.

The top photo shows, from the left, Harlan Geldermann, Danville realtor and a director of the club; John Sparrow, Bay area manufacturer and president of the group; and Norm Tauscher, former pro at Diablo Country Club who has been appointed Round Hill pro.

The clubhouse is surrounded by the 1st and 10th tees, and the 9th and 18th greens. It overlooks a six million gallon man-made lake.

The center picture has the same three men framed by the 12th fairway, which is bordered on the left by the huge lake, which still is in the process of being filled. Tauscher, Sparrow and Geldermann stand near what will be the ladies' tee.

Sparrow overlooks the 15th fairway, in the bottom photo, which plays up a natural valley, and the triple trap will call for an excellently placed second shot—a challenge to the best golfer.

### High Score Game Featured During Danville Cage

Danville Basketball League started its fifth week of play this week with Valley Pioneer and Diamond Building Materials tied for first with identical 3 and 0 records.

High scoring marked play by all the winners in last week's games with Diamond topping the list with a 102-point output against Aerojet No. 2. This is the highest score ever run up by a team in this league, now in its second year. The losers scored 50 points, their highest for the season.

BOB GOMEZ, former Las Lomas cager, was high point man for Diamond with a 33 point total. This was also the highest individual score made to date. Two other Diamond players were in the two-figure column as Leonard Thompson rang up 25 and Frank Sabatini connected for 14.

Gomez was especially hot at the free throw line when he connected on 15 out of 16 chances.

John Conlon with 21 points was high for Aerojet No. 2.

Earlier in the week Will Strong, assistant pro at the Diablo Country Club, paced Pioneer to an 87-59 win over the Shoe Stable five with a 20-point spurge. Steve Nelson and John Longaker, both former San Ramon cagers, came through with 16 apiece.

Dick Johnson scored 22 for the Shoe Stable before fouling out.

IN THE YANKEE Sport Shop-Aerojet No. 1 game Gary Scott and Eric Kehlner, both former San Ramon players, vied for high point honors. Scott scored 19 and Kehlner 18. Bob Hudson, former Miramonte player, accounted for 17.

Bill Lloyd spearheaded the Aerojet attack with 28 points, only 2 of which were from the free throw line. Lloyd is a former Las Lomas athlete.

This week Aerojet No. 2 plays Yankee, Aerojet No. 1 vs. Pioneer and Shoe Stable vs. Nike Base. Diamond drew a bye.

The standings:

	W	L
Diamond	3	0
Pioneer	3	0
Yankee	2	1
Shoe Stable	1	1
Nike Base	1	2
Aerojet No. 1	1	3
Aerojet No. 2	0	4

### Foster's 657 Series Tops Monumnet Classic Loop

CLASSIC

Bill Foster's 248-657 led runner-up Compton's Sporting Goods to a sweep over El Charro, but couldn't gain ground as pace-setting Diablo Bowling Supply blanked A Shop For Bowlers. Frank Sweeney of Lawrence Chrysler-Plymouth put together a 601 series.

KINGPINS

Paced by Curt Hangaard's 254 game, sons of Norway held the lead with a 3-1 win over Diablo Fence. Mannie Alves of Alves Pools, tied for second with Swanton Yacht Harbor, had the high series, 602.

BLUE MONDAY

Howie Blair of Quaker House was high with 232-587 as Monument Bowl clung to the lead, despite losing three points to Nobles-Robb.

HAS BEENS

Bill Michaels of Xaviers Shoe Shop rolled a 223 and John Lewis of A Shop For Bowlers posted a 552 set. Anderson-Wood Insurance stayed on top after a 2-2 split with Monument Bowl.

HARD LUCK

Anderson's Masonry, behind Fred Cunison's 203-525, blanked Pepsi Cola to retain their hold on the lead. Runnerup Wilbur's Bus Service swept their set from Kaiser Sand and Gravel.

DIABLO 810

Pace-setting Walnut Creek Electric, with Al Shuler rolling a 226, shut out Toro Imports and runnerup Apex Manufacturing, behind Norm Lapham's 591, blanked Team No. 4.

DIABLO 760

Sam Satre of Sons of Norway rolled 222 and Jim Gibson of Walnut Creek Native Sons had a 550 as the top two teams, Hendrick Piano and O'Hara Trophies took 3-1 wins over Larry's Flying A and Diamond Building Material, respectively.

BUSY BELLES

Phyllis Donna of Contra Costa Health Foods was high with 179-469 as Seaport strengthened its first place hold by taking three games from Alice's Beauty Shop while runnerup Paul Gailus Realtor dropped three to Health Foods.

MADCAPS

Top game was Wanda Nicholson's 225 and top series Beverly Ash's 494. Herb's Morwear is in first place, one game ahead of Sons of Norway.

GADABOUTS

Chicago Metal Craft is first af-

### WC Explorers Get League Win

Overcoming an early 224's lead, the 234's of Walnut Creek emerged victors in a rough and tumble 40-27 basketball game at the Walnut Creek Presbyterian church, to regain for the victors the second place slot in the Explorer Basketball League tourney.

Top scoring honors for the 234's were shared by Jim Dyer and Steve Judd with 12 tallies each, while spunky little L. Scott of the Lafayette group accounted for one-third of the 224's score.

Both groups played a fine offensive game, but some telling shots by the losers fell short of the mark to give them the disadvantage.

League standings follow:

Post	Won	Lost
223	4	1
234	5	2
300	2	2
303	1	4
224	2	4
311	0	3

### Piedmont Five Topple Wolves

The Piedmont Highlanders toppled the San Ramon Wolves last Friday as they won, 49-43.

Piedmont took a 11-8 first quarter lead and while the Wolves tied it up 18-18 at the half, they couldn't keep pace as the Piedmont five outscored them 14-6 in the fatal third quarter.

It was a high scoring final period as San Ramon hit for 19 points to Piedmont's 17. Piedmont's Bill Clayton and Dave Shaw took top scoring honors as they hit for 12 and 10 points in that order.

Wayne Farrell, Tom Gurley and Dick Needham each hit for eight points for San Ramon.

"I KNEW THERE HAD TO BE A REASON WHY THIS COURSE WAS SO EASY UP TO NOW"

For Two

AN OPEN MIKE is a challenge to Paul Dekar and Dianne Madsen, as they take over control room activities in Las Lomas Radio Station KOLL. Students have come to look forward to the twice-a-week announcements.

## Students Try Voices on Neophyte Radio Station

The mighty command, "NOW, HEAR THIS!" does not ring through the Las Lomas corridors, but students there have come to know a little of what shipboard communications is like for men of the U. S. Navy.

Their own experience comes every Tuesday and Thursday at about 11:05 when Miss Jean Jensen's public speaking class opens the mikes of "Radio Station" KOLL for five minutes.

(KOLL: Knights of Las Lomas.) AND YOUNG men and women who have listened to radio and television speakers all their lives try their own voices with announcements of coming school social and scholastic events.

"The students write their own releases, and often times they have very little time in which to do it," said Miss Jensen.

"And we try to include little features about a school event or a student personality, and special programs for special days, to add variety," she said.

Paul Dekar, a junior, is in charge this year, and Harry Bowers, a senior, is an able organizer.

ALL ANNOUNCING does not go to all the classrooms which are equipped with speakers. Much of it is directed only from the conference room to the public speaking classrooms, where the students can evaluate their colleagues.

The entire program enables just about all the students of five classes to step before a microphone and know they are "on the air" several times each semester. Records and tapes enable them to hear themselves.

"We had something like this last year, but this year it is really going strong," said Miss Jensen.

Such a program has long been the interest of Principal Lee Russell and Edward Leach Jr., dean of boys, she added.

## Architect Speaks to Auxiliary

The Associated Home Builders Auxiliary held a luncheon meeting Wednesday at Mike Lynn's Restaurant, Orinda.

Mrs. Elvin Van Ness, president, introduced Warren Radford, associated with the architectural engineering firm of Reid, Rockwell, Banwell and Tarichs. He showed slides on School Construction.

Proceeds from the luncheon were applied to the Scholarship Fund, awarded to a student at the University of California majoring in the field of study pertaining to the construction industry.

Hostesses were Meses. J. W. Scammell, Jack Mullens, Lloyd Bradhoff, Harold Frazier, Earl Mason and William Danska.

SINCE 1858  
**STERLING**  
FURNITURE STORES

WALNUT CREEK  
Broadway Shopping Center

# First time at a budget price!

## All 4 wonderful conveniences

1. Automatic soak cycle
2. Automatic bleaching
3. Automatic rinse conditioning
4. Automatic tinting and dyeing

## Brand new! Frigidaire automatic washer

# 219<sup>95</sup>

In colors . . . at no extra cost! \$11 monthly

Now at Sterling you can enjoy complete automatic washing—at an easy-on-the-budget price. Not just wash-rinse-and-spin dry automatic . . . but automatic dispensing of detergent, rinse conditioner, tint and dye. Just fill the special containers, walk away and your Frigidaire does the rest. And, above all, the feature you'll appreciate most . . . the new automatic soak cycle. Just flip the dial and it soaks diapers and heavily soiled work clothes for a full ten minutes—floats away loosened dirt before you begin the wash period. Why not treat yourself to complete automatic washing at Sterling's amazing first-time offered low price. See this work-saver and money-saver now! Choose white, turquoise, charcoal, pink, yellow or copper.

**Three-ring pump agitator**  
Automatically distributes detergent, bleach, dye. Lint chaser pumps lint out of clothes—and out of the washer.

**Dual Cycle Selector**  
Flip the dial to automatic soak cycle for diapers, work clothes or woollens, or dial heavy, normal or light soil settings.

**Matching budget-priced dryer . . . 139.95**  
Use Sterling's liberal trade-in plan. Why not phone your nearest Sterling store now for an appraisal or additional information.

No down payment . . . up to 24 months to pay

**WALNUT CREEK'S** largest complete home furnishing store  
Shop Friday and Monday nites until 9 • Acres of free parking

BEAMED TO THE CLASSROOMS are the voices of Alan Sherwood, Judy Johnson and Bill Stafford, as they go "on the air" for "KOLL". The program is supervised by Miss Jean Jensen, public speaking teacher. This has proved to be one of the most exciting experiences of their lives for many students.

## 6211 Merit Badges in '59

A meeting of the Mt. Diablo Boy Scout Council Advancement Committee was held recently at the home of Chairman Rawlings Simon of Lafayette.

The program adopted includes a council-wide Eagle Scout Dinner on April 19.

The merit badge counselors' program involving 105 merit badges is to be augmented by the selection of merit badge deans who will assist in the recruiting and the grouping of like merit badge subjects.

This program according to Judge R. C. Staats, advancement chairman for Berkeley Albany District, is a part of the vocational exploration program of the Boy Scouts of America.

Tom Hill of Concord and Al Morris of El Cerrito will assist in the advancement training part of the Spring Training Conference for Scout leaders at Diablo Valley College on March 12.

Chairman Simon said 6211 merit badges were earned by the Scouts in the council, in 1959. Cubs earned 6471 awards and Boy Scouts earned 2386 advancements in rank.

## We Get What We Ask for In Books, On Celluloid

By MARIE MONAHAN  
I AM THE PUBLIC—Jeremiah crying in the Wilderness.

I have been Taken.

I have just come in from a big Hollywood movie.

It is the last movie I will see for a LONG time, Disney expected!

FOR I AM THE PUBLIC . . . and I am stupid. I fell for the bait. A big star, a big story, a best seller. A movie in which words that trespassed my own code of honor and the little bit of goodness I can lay claim to, were blithely tossed across the screen.

I am the public and I am, getting what I asked for. I am ashamed.

BY going to the movie, I fell into the trap. The Booby's trap!

Now I feel like I need a bath—a shower of a showdown—one shared by EVERYBODY who has to read and see the same tripe and trash and whose belief in the Ten Commandments is betrayed.

I BUY A TOPNAME magazine in good faith at the newsstands—for here is a picture of Rip Van Winkle on the cover and a captivating caption "Famous Legends for the children." I curl up with the kids on the carpet and turn the promising pages when behold!

—I have been baited—and hooked!

INSIDE the cover, a calendar-sized picture of a blonde bombshell in black scanties—advertising suggestively a movie I vow never to SEE!

Then to go for a press agent's nap and fall prey to a picture

like the one I saw tonight. IS NOTHING SACRED anymore?

It is the adults who are delinquents. It is the adults who are publishers, movie makers, record company owners and TV writers.

CONSIDER THE subjects and come-on captions tossed around by a local columnist—a Poseur to the Press, a fool who fashions himself an authority on women—altho' he has an obvious distaste for women himself—probably due to a glandular disturbance.

Not in MY family newspaper. Esquire maybe!

I AM THE PUBLIC.

WHEN MY PRIVACY is peeked into, poked fun at and when my life as a wife, mother and fairly solid citizen is made so light of, then I will get MAD. Good and Mad!

I will climb up on a soapbox and suggest that it is the public who is getting soaked, drowning in a sea of smut and sensationalism—where instead it could use a strong soaping.

WE GET what we ask for! WHEN do we STOP!!? Please pass the soap.

MEDICAL PROGRESS

The contemporary use of x-rays to diagnose and treat disease is less than 70 years old. Professor Wilhelm Conrad Roentgen discovered this mysterious ray in 1895 and precisely because of its unknown qualities called it "x-ray."

United Fund Annual Session Is Tuesday

The annual meeting of the Contra Costa County United Fund will be held Tuesday, according to Ed J. J. McKeegan, president.

The meeting will be at 3:30 p.m. at the Walnut Bowl, Walnut Creek. United Crusade contributors are invited.

Speaker will be Mortimer Fleishacker Jr., president of the United Bay Area Crusade. Board members and officers will be elected. Two proposed by-law changes will be considered. A review of the fund activities for the past year will be given.

**CAP Colonel Will Speak**  
Col. Raymond L. Sauter of Denver, a Civil Air Patrol deputy commander, will speak March 31 at a meeting of the Women's Assembly of Contra Costa County, in the Diablo Valley College gym.

**Trail Seekers Rank Won by Campfire Girls**  
The fireside room of the Walnut Creek Presbyterian Church was chosen by "O KO A TE WA," Camp Fire group, for the ceremonial held recently.

The girls who received their Trail Seekers rank were Sandra Himes, Patricia Thompson, Susan Griffith, Mary Lou Locatelli, Carrie Jo Queen, Janice Messer, Hollis Villman, Riesa Bigelow, Kathy Malby, and leader Mrs. Queen.

Another Camp Fire group paid tribute to the founders of the organization on January 27 at the Stone Valley School, Alamo. The colorful ceremonial was attended by families and friends.

**WANT TO ADD-ON TO YOUR HOME**  
or make changes in the rooms you already have?

Popular changes nowadays are the creation of that all-important "family room"...an all electric kitchen...an extra bath. Such improvements will...

• KEEP YOUR HOME YOUNG!  
• INCREASE ITS VALUE!  
• ADD TO YOUR LIVING PLEASURE!

It's easier than you think to construct—AND FINANCE—these improvements. Custom Construction Company has experts who will help you work starting now!

**SPEED IN CONSTRUCTION!**  
Work started immediately...No Delays...No Interruptions...Fast and thorough from start to immaculate cleanup!

Expert help with all the details from **PLANNING THROUGH FINANCING**

Rapid Transit System Is Welcome Here -- Survey

Contra Costa County residents would welcome a modern and efficient regional rapid transit system.

This is indicated by a public opinion poll recently conducted by the opinion research firm of Facts Consolidated for the five-county Bay Area Rapid Transit District.

SIGNIFICANTLY, the poll determined that Contra Costa ranks highest of all the five Bay Area counties in the proportion of its commuters who use an automobile—81 per cent.

More than 50 per cent of the Contra Costa residents interviewed who now commute to work by automobile said they would be induced to change to rapid transit of the type now being planned. More than 92 per cent of those persons using other means of travel said they would change.

The figures in neighboring Alameda County were 53 per cent and 85 per cent, respectively.

By comparison, nearly 47 per cent of the auto commuters in Marin County said they would switch to rapid transit; 38 per cent said they would switch in San Francisco, and in San Mateo County the figure was 45 per cent.

THE SURVEY SHOWED that Contra Costa County also had the highest number of citizens who are acquainted with and have formed an opinion about the proposed bay area rapid transit plan. The figure was 24.7 per cent, as compared to the district average of 21 per cent.

In spite of the fact that less than 25 per cent of all Contra Costa residents had formed an opinion about the plan, the survey revealed that 19 per cent of them were in favor of it.

The number of Contra Costans favoring the plan jumped to 72 per cent after poll interviewers gave respondents a brief explanation of the proposed transit plan and statistics on Bay Area growth and congestion.

This figure compares with 78.6 per cent for the district average. Only 5.2 per cent were opposed to the plan following the explanation, and 16.2 per cent of the Contra Costans remained undecided.

CONTRA COSTA residents were firm in the belief that development of a regional rapid transit system would aid in the growth of their communities. Nearly 69 per cent answered in the affirmative to this question—second only to Marin County where a high of 73.3 per cent was recorded. Slightly more than a quarter of the respondents said they thought such a system would have no effect on community growth, and only 1.5 per cent thought it would be a hindrance.

More than 61 per cent of the respondents in Contra Costa County agreed that their communities ought to pay a "fair share" of the initial cost of constructing the rapid transit system. Only Alameda County, with 63 per cent, and San Mateo, with 61.5 per cent, were higher.

A huge proportion, 73.9 per cent, of the Contra Costa respondents voiced the opinion that development of a regional rapid transit system should be coordinated with construction of freeways. This was only slightly below the 74.4 per cent figure recorded in San Francisco.

OF THE CONTRA Costa commuters switching to rapid transit, 34.2 per cent said they would use the system at least five times a week, and 17.5 per cent estimated they would use it at least twice a week.

The reason given by most Contra Costa commuters for using their automobiles is that present public transit facilities are "too slow." More than 28 per cent offered this reason, while another 21.6 per cent said the facilities are inconveniently routed.

Nearly 20 per cent of the Contra Costans said they were dissatisfied with present transit schedules, service and intervals; 17.5 per cent said passenger stations are inconveniently located and require too many transfers. One quarter of the interviewees said they drive their cars to work because of necessity.

**'Hall Closet' Needs Support**  
The Hall Closet, a thrift-shop, located at 2061 Mt. Diablo Street, Concord, sponsored by the Juvenile Hall Auxiliary of Contra Costa County, enjoyed a highly successful grand opening January 22, due solely to the warm-hearted people of this County, the donors, the patrons, and the volunteer services of those who aided and staffed the shop.

The Hall Closet serves a three-fold purpose for the Auxiliary. 1. The Juvenile Hall Cottage children are supplied with good clothing.

2. The Hall Closet supplies free clothing to destitute families of the County who are sent to us by probation officers.

3. Lastly, the proceeds of the Hall Closet go to subsidize, financially, the Juvenile Hall Auxiliary's programs to further the purpose and principles of the Auxiliary.

You can serve our County well by keeping us in business with your donations of discarded good used clothing, kitchen wares, furniture, radios, clocks, costume jewelry, shoes, hats, rugs, etc.

All will be graciously accepted at the Hall Closet Mondays through Wednesdays from noon to 4:30 p.m. Donations will also be accepted on the three "open-for-business" days—Thursdays, Fridays and Saturdays—9:30 a.m. to 4:30 p.m.—remaining open on Friday evenings until 9 p.m.

**THIS IS IT! THE SALE ENDS! MON. FEB. 29th at 10 P.M.**  
Due to countless requests, we have yielded to the wishes of our patrons and have extended this tremendous sale for one more week. But it will absolutely end on the above date. Thanks to our many friends and customers for their patronage.

Cancer Group's 'Educators' Are Named

Physician and lay members of the county-wide education committee for the Contra Costa Branch of the American Cancer Society were announced by Dr. John S. Cheredes, medical chairman.

Mrs. John Selley of Walnut Creek is lay co-chairman of the committee. She was chairman of the recent living habits study conducted throughout the county by the cancer society.

Additional medic members of the committee include Dr. W. M. Bogart of Concord; Dr. W. J. Eldred of Pleasant Hill, and Dr. Alan A. Ory, Dr. John J. Pease, and Dr. George N. Weston, all of Walnut Creek.

Dr. Pease's special responsibility is chairmanship of the cytology, or cell study, program.

Dr. Herbert R. Packard of Walnut Creek is chairman of the county sub-committee for professional education for dentists.

Mrs. Madelon Bailey DeWitt of Pittsburg was named chairman of special education for nurses.

Peter Krassner of Lafayette and Mrs. R. L. Holt of Concord have been appointed co-chairmen of the cancer society's schools' education program.

'Sweet Bird' Is Now at Curran

Following a New York run of 11 months, Tennessee Williams' "Sweet Bird of Youth" starring Geraldine Page, Sidney Blackmer and Rip Torn, came to the Curran Theatre, San Francisco, February 18, and will remain through March 19. It was produced by Cheryl Crawford and directed by Elia Kazan.

Beyond the shadow of a doubt, Tennessee Williams is the most famous and widely produced of living American playwrights. "Sweet Bird of Youth" has already been produced in Germany, Sweden, Argentina, Mexico, Greece, Holland and Brazil.

Students will learn special techniques of custom tailoring, and study the relationship of fabric and design to the individual.

Persons interested in registering should inquire at the evening office, Monday through Thursday between 6:30 and 8 p.m. There is no tuition fee.
